HIGHLAND PREP

Dear Parents/Guardians:

On behalf of Highland Prep, I welcome you and your children. Highland Prep faculty and staff take the responsibility of educating your student very seriously. We acknowledge that we are best able to serve all students when we establish a strong working relationship with parents/guardians.

This HP Student and Parent Handbook is provided to inform parents/guardians and students about HP's expectations for students in our school so that all students have an excellent learning experience. Parents/guardians should also use this handbook as a framework for discussing our expectations with your student, so each student is well prepared for a successful school year. You will also find that this publication includes information that you may need throughout the school year, including contact numbers and other resources.

The current version of this HP Student & Parent Handbook can be found online at <https://highlandprepaz.com/forms-docs/>. It will be updated during the year, if necessary. You will also find the 2024-25 school calendar on page 84.

Thank you for working with us to create a learning environment where everyone is treated with respect and is free to learn and explore new ideas and interests. Please contact an administrator should you have questions about this handbook. We look forward to working together with you to prepare your student for an extraordinary year of learning.

Sincerely,

Shane Jones
Principal

Addendums to this handbook may be made throughout the year

HIGHLAND PREP

MISSION

Highland Prep (HP) is a Science, Technology, Engineering, and Math (STEM) college-preparatory high school. Highland Prep features a rigorous academic program with an emphasis on 21st century preparation defined by critical thinking and inquiry learning. HP believes in tying course content to interrelated themes to increase relevance and application in the interest of preparing students to succeed in the future global arena.

VISION

Highland Prep will create opportunities for students and families to develop critical thinking skills that will ensure that they become successful members of an increasingly innovation-driven society and global marketplace.

GUIDING PRINCIPLES

Highland Prep's guiding principles are founded on the belief that:

- 1) Students must develop critical thinking skills and become college ready to succeed in the global marketplace.
- 2) Exposing our students to Science, Technology, Engineering, and Math (STEM) and Advanced Placement (AP) programming will increase their college and career readiness.
- 3) Personalizing education for each student and providing high quality formative instruction and assessment will lead to higher growth and greater academic success for our students.

HP will measure its college readiness by the rigor of its academic program and by the percentage of students who:

- participate in Honors classes
- participate in the Advanced Placement curriculum
- meet 4-year college prerequisites
- enter college
- complete a college degree

CURRICULUM PROGRAM

Highland Prep's curriculum program is dynamic, rigorous, and relevant to students who are preparing to compete with students from around the world in a new and increasingly innovative global arena. HP ensures that its curriculum and instruction is strategically designed to ensure that each student receives individual attention to their personal goals with innovative pathways. HP understands that it is the education team's responsibility to prepare students to be creative, adaptive, and innovative in their thinking.

Highland Prep's curriculum program is based on Arizona Common Core Standards, as well as other rigorous state and national standards. HP ensures standards are implemented with fidelity to ensure that a consistent set of English Language Arts (ELA) and Mathematics expectations are established that result in a high-quality preparation of all students for college and career.

The Highland Prep education team is committed to providing its students with:

- A clear articulation of the standards to ensure students understand what is expected of them with every lesson.
- Consistent expectations that ensure HP students are both nationally and internationally competitive.
- Interesting and relevant content that supports the development of higher-order thinking skills.

HIGHLAND PREP

ADMISSION TO HIGHLAND PREP

Highland Prep is open to all students, on a space available basis within each grade level. Our school does not discriminate based on intellectual or athletic ability, measures of achievement or aptitude, disability, proficiency in English or any other basis prohibited by law. Admission procedures follow the requirements and guidelines set forth in A.R.S. 15-184.

There are no admission requirements for ninth through twelfth grades and no tests of any sort are given to determine whether admission is granted. Applicants are placed on a wait list in the order that the application was selected from the lottery. An applicant will be offered a spot only after an opening occurs in the respective grade and after meeting the eligibility requirements of the school. Once all available slots are filled, applicants will be placed on a wait list. Students will be admitted from the waitlist as spaces become available in each grade. Preference is given to siblings of admitted students. Students transferring from an Arizona school will not be allowed to begin attendance without an official withdrawal slip from the previous school.

Admission to Highland Prep is open to all students aged thirteen through twenty-one with documentation that they have completed the eighth grade. Students unable to provide eighth grade promotion documentation shall be referred to administration for consideration.

Arizona Residency Guidelines

INTRODUCTION

Local educational agencies are required to provide all children who reside within the school district with equal access to public education at the elementary and secondary level. The U.S. Supreme Court held in *Plyer v. Doe*, 457 U.S. 202 (1982), that the undocumented or non-citizen status of a student (or his or her parents/guardian/guardian/guardian) is irrelevant to that student's entitlement to an elementary and secondary public education. However, pursuant to A.R.S. § 15-823, a school district or charter school may not include non-Arizona-resident pupils in their student count and may not obtain state aid for those pupils.

In Arizona, the "district of residence" of a student is determined by the residency of the parents or guardian with whom the student lives. In some cases, the district of residence may also be determined by the residency of a relative who is seeking legal guardianship or custody of a student. A.R.S. § 15-821(D). In addition, if a school district governing board determines that a student's "physical, mental, moral or emotional health is best served by placement with a grandparents/guardian, brother, sister, stepbrother, stepsister, aunt or uncle who is a resident within the school district," and the placement with that relative is not "solely for the purpose of obtaining an education in this state without payment of tuition," the student is considered a resident of the district. A.R.S. § 15-823(C).

Accordingly, it is the responsibility of the school districts and charter schools that receive state aid to ensure that student/parents/guardian residency information is accurate and verifiable. While a district may restrict attendance to district residents based on available classroom space, inquiring into students' citizenship or immigration status, or that of their parents or guardians, is not relevant to establishing residency within the district. A school district or charter school may not bar a student from enrolling because he or she lacks a birth certificate or has records indicating a foreign place of birth, such as a foreign birth certificate.

HIGHLAND PREP

VERIFIABLE DOCUMENTATION

A.R.S. § 15-802(B) requires school districts and charter schools to obtain and maintain verifiable documentation of Arizona residency upon enrollment in an Arizona public school. The documentation required by A.R.S. § 15-802 must be provided at initial enrollment of a student in a school district or charter school in this state and reaffirmed, although not necessarily recollected, during the district or charter's annual registration process.

For members of the armed services, a school may enroll a student if the parents/guardian provides a hard-copy or electronic document of their transfer or pending transfer to a military installation within the state. The parents/guardian must provide official documentation of residency within ten days after the arrival date which may include a temporary on-base billeting facility as their address. Proof of Residency is not required for homeless students. 42 U.S.C. § 11 432(g)(3)(C)(i).

A parents/guardian or legal guardian that does not maintain his or her own residence **MUST** have an affidavit of shared residency form completed indicating his or her name, the name of the school district, school site, or charter school in which the student is being enrolled, and submit a signed, notarized affidavit for the person who maintains the residence where the student lives attesting to the fact that the student resides at that address, along with a document from the bulleted list bearing the name and address of the person who maintains the residence. A model Affidavit of Shared Residence form is available from the HP office by request.

USE OF AND RETENTION OF DOCUMENTS BY SCHOOLS

School officials must retain a copy of the attestations or affidavits and copies of any supporting documentation presented for each student (photocopies acceptable) that school officials believe establish validity. Documents presented may be different in each circumstance, and unique to the living situation of the student. Documents retained by the school district or charter school may be used as an indication of residency; however, documentation is subject to audit by the Department.

Personally identifiable information other than name and address (SSN, account numbers, etc.) should be redacted from the documentation either by the parents/guardian or the school official prior to filing. Most information provided by parents and guardians to Arizona public schools is an educational record made confidential under the Federal Educational Rights and Privacy Act (FERPA) and Arizona law unless designated by the school as directory information. A parent or guardian may opt out of directory information in accordance with district policy. Otherwise, educational records are only used for legitimate educational purposes.

HIGHLAND PREP

ENROLLMENT PROCESS

Students who wish to enroll in Highland Prep may visit the office Monday through Friday, between the hours of 7:30 a.m. and 3:30 p.m. to obtain an Enrollment Application.

The following documents are required to Enroll:

- Enrollment Application
- Military Service Indicator (if applicable)
- Arizona Residency Form and Documentation

Enrollment procedures will only be considered complete when the Enrollment Application is completed and received in a timely manner as defined by the school's open enrollment period.

The following documents are required after enrollment:

- 8th Grade Diploma
- Withdrawal Slip
- Most Recent Report Card
- Unofficial Transcripts
- Immunization Records (or exemption)
- Attendance History **(from previous school)**¹
- Discipline Records **(from previous school)**¹
- Custody Paperwork **(if applicable)**
- Current IEP **(if applicable)**²
- Completed enrollment packet
- Proof of Residency
- Birth Certificate *(other reliable proof of the pupil's identity and age as allowed by A.R.S. §15-828)*

When the Registration Packet is completed, the student and the parents/guardian need to schedule an appointment to take the school's benchmark assessment and meet with an administrator. Placement testing is NOT a condition of enrollment. The purpose of the meeting is to acquaint the student and the parents/guardian with the policies and expectations set forth for Highland Prep students.

Highland Prep has the right to refuse admission to any pupil who has been expelled from another educational institution or who is in the process of being expelled from another educational institution in accordance with A.R.S. 15-184(I).

It is the responsibility of the parents/guardian to keep the school informed of their current address and phone number. If you change your address or phone number at any time during the year, please notify the school.

Students may be recommended to enroll in a summer school program to prepare them for the rigors of the intense college preparatory curriculum of the school or to make up deficiencies that prevent them from meeting graduation requirements at Highland Prep.

¹ The school will request this information from the student's previous school but parents/guardians are requested to provide this information if they have it in their possessions to avoid delays in the receipt of such information.

² If the student is eligible for special education and has a current IEP, it is important that the parents/guardian notify the school and that the school receives it as soon as possible to ensure that the student is provided all necessary special education, related services, and/or accommodations. Highland Prep will request this information from the student's previous school but cannot provide what is required until it receives a copy of the current IEP.

HIGHLAND PREP

IMMUNIZATIONS & EXEMPTIONS (ARS 15-872)

All students entering Arizona public schools are required by law to be immunized. If the student has a medical condition or personal belief that conflicts with this law, a waiver may be signed and presented prior to the student's first day of school. Immunization records (or exemption documentation) are required to attend school but are not a requirement for enrollment.

CLASSIFICATION OF STUDENT

Students in grades 9-12 shall be classified as freshmen, sophomore, juniors, or seniors depending upon the year they entered 9th grade:

2024-2025	Freshman
2023-2024	Sophomore
2022-2023	Junior
2021-2022	Senior

STUDENT PLACEMENT AND CLASS SELECTION

Upon enrollment, incoming freshmen will take the school's benchmark assessment in reading and math. Transfer students' most recent transcript will be evaluated to determine credits and courses that are still needed for graduation. Once the transcript and/or exam are evaluated, the student will be enrolled in the classes best suited to meet his or her individual needs. Students may request honors courses or specialized electives upon meeting eligibility.

NON-DISCRIMINATORY POLICY

Highland Prep is mindful of its purpose and admits students of any race, color, and national and/or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. Highland Prep does not discriminate based on race, color, and national and/or ethnic origin in administration of its education policies, admission policies, athletic and other school-administered programs. Highland Prep does not discriminate against any applicant for employment based on race, color, sex (including gender identity, sexual orientation, and pregnancy), age (40 or older), religion, national origin, disability, marital status, veteran status, or genetic information.

RE-ENROLLMENT PROCESS

To secure your student's place at Highland Prep for the next school year, you must officially complete the re-enrollment process. In February, re-enrollment packets will be sent home along with the spring deadline for re-enrollment. If there are more applicants than openings, all applicants are subject to a lottery.

STUDENT RECORDS

A student's education records are located in the student file, which consists of two major areas: (a) permanent records, such as grade and attendance reports and health records, and (b) discipline records.

Highland Prep complies with all Federal and State laws concerning student records. Information regarding a student's progress will be shared only with parents or guardians, appropriate members of school faculty and staff and any professional consultants retained for the purpose of measuring or improving instructional quality.

HIGHLAND PREP

WITHDRAWALS

Parents/guardians requesting to withdraw their student are asked to complete an official withdrawal form, an exit meeting, and arrange the return of all schoolbooks and materials. All accounts must be paid in full before completion of withdrawal. Highland Prep has 48 hours during the school week, to process withdrawals on any and all students.

If you plan to move, let the school know at least three days in advance. The school will prepare transfer materials to help you get started at the new school. Transfer materials will be ready 48 hours from the date the school is notified.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act (FERPA) affords parents/guardians and students over 18 years of age (eligible students) certain rights with respect to the student's education records.

They are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access. Parents/guardian or eligible students should submit to the school administrator a written request that identifies the record(s) they wish to inspect. The school administrator will make arrangements for access and notify the parents/guardian or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parents/guardians or eligible student believes is inaccurate or misleading. Parents/guardians or eligible students may ask Highland Prep to amend a record that they believe is inaccurate or misleading. They should write to the school administrator, clearly identifying the part of the record they want changed and specify why it is inaccurate or misleading. If Highland Prep decides not to amend the record as requested by the parent/guardian or eligible student, we will notify the parent/guardian or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent/guardian or eligible student when notified of the right to a hearing. After the hearing, if the school still decides not to amend the record, the parent/guardian or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
3. The right to consent to disclosure of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor or support staff member (including health or medical staff and law enforcement unit personnel), a person serving on the school board, or a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant or therapist). A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the district to comply with the requirements of FERPA.

HIGHLAND PREP

Non-custodial and divorced parents/guardians have equal rights relating to student records unless the school has been provided with a court order to the contrary. Certain student education records are considered "directory information", including the following: student's name, mailing address, e-mail address and telephone number; names of the parent/guardian; address and telephone number of the parents/guardian, date and place of student's birth, class designation (grade level, etc.), extra-curricular participation, weight and height (if a member of an athletic team), enrollment dates, awards received, and photograph. Directory information may be released to the public unless the parents/guardian or eligible student gives written notice to Highland Prep that any or all such information should not be made public without prior consent.

United States Military branches (Army, Air Force, Navy, Marines, and Coast Guard) are allowed to access public school directory information for military recruitment purposes. Parents/guardians or students may deny access to personal directory information by submitting their request in writing.

TRANSFER OF RIGHTS UNDER FERPA

When a student reaches 18 years of age or attends a postsecondary institution, he or she becomes an "eligible student," and all rights under FERPA transfer from the parents/guardian/guardian to the student. The term "education records" is defined as those records that contain information directly related to a student and which are maintained by an educational agency or institution or by a party acting for the agency or institution.

PROTECTION OF PUPIL RIGHTS AMENDMENT

The Protection of Pupil Rights Amendment gives parents/guardian and eligible students (emancipated minors or students who are 18 years of age or older) certain rights regarding protected personal information, instructional materials, physical exams and health screenings.

These include the right to:

1. Provide written consent before a student participates in any survey funded by the U.S. Department of Education that requests protected information: political affiliations; family mental or psychological problems; sexual behavior or attitudes; illegal, anti-social, self-incriminating or demeaning behavior; critical appraisals of family members; privileged relationships recognized by law such as with attorneys, doctors and ministers; family religious practices, affiliations or beliefs; and income, unless required by law to determine program eligibility.
2. Be notified and choose to opt out of certain activities, surveys and exams including: activities involving collection, disclosure or use of personal information obtained from students to market, sell or otherwise distribute information to others; surveys requesting protected information, regardless of funding; and any non-emergency, invasive physical exam or screening required for attendance, administered by the school and not necessary to protect students' health and safety – except for hearing, vision, or scoliosis screenings, or any exam or screening permitted or required by state law.
3. Inspect the following material, upon request, before the district administers or uses: surveys and instructional material involving protected information; documents to collect students' personal information for marketing, sales or other distribution purposes; and instructional material in educational curriculum.
4. Receive notification at the start of each school year, and after substantive changes are made, about the district's policy for complying with the Protection of Pupil Rights Amendment.
5. Report any violation of rights by filing a claim with: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Ave S.W., Washington, DC 20202-4605.

HIGHLAND PREP

CONFIDENTIALITY AND CHILD FIND

ANNUAL NOTIFICATION TO PARENTS/GUARDIAN/GUARDIANS REGARDING CONFIDENTIALITY OF STUDENT EDUCATION RECORDS

The **Family Educational Rights and Privacy Act (FERPA)** is a federal law that protects the privacy of student education records. FERPA gives parents/guardian certain rights with respect to their student's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students." Parents/guardian or eligible students have the right to inspect and review the student's education records maintained by the school within 45 days of a request made to the school administrator. Schools are not required to provide copies of records unless it is impossible for parents/guardian or eligible students to review the records without copies. Schools may charge a fee for copies. Parents/guardian or eligible students have the right to request in writing that a school corrects records that they believe to be inaccurate or misleading. If the school decides not to amend the record, the parents/guardian or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parents/guardian or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.

Generally, schools must have written permission from the parents/guardian or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:

1. School officials with legitimate educational interest

A school official is a person employed or contracted by the school to serve as an administrator, supervisor, teacher, or support staff member (including health staff, law enforcement personnel, attorney, auditor, or other similar roles); a person serving on the school board; or a parents/guardian/guardian or student serving on an official committee or assisting another school official in performing his or her tasks;

A legitimate educational interest means the review of records is necessary to fulfill a professional responsibility for the school;

2. Other schools to which a student is seeking to enroll;
3. Specified officials for audit or evaluation purposes;
4. Appropriate parties in connection with financial aid to a student;
5. Organizations conducting certain studies for or on behalf of the school;
6. Accrediting organizations;
7. To comply with a judicial order or lawfully issued subpoena;
8. Appropriate officials in cases of health and safety emergencies; and
9. State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, sports participation (including height and weight of athletes) and dates of attendance unless notified by the parents/guardian or eligible student that the school is not to disclose the information without consent.

HIGHLAND PREP

The Individuals with Disabilities Education Act (IDEA) is a federal law that protects the rights of students with disabilities. In addition to standard school records, for students with disabilities' education records could include evaluation and testing materials, medical and health information, Individualized Education Programs and related notices and consents, progress reports, materials related to disciplinary actions, and mediation agreements. Such information is gathered from a number of sources, including the student's parents/guardian and staff of the school of attendance. Also, with parents/guardian permission, information may be gathered from additional pertinent sources, such as doctors and other health care providers. This information is collected to assure the student is identified, evaluated, and provided a Free Appropriate Public Education in accordance with state and federal special education laws. Each agency participating under Part B of IDEA must ensure that at all stages of gathering, storing, retaining, and disclosing education records to third parties that it complies with the federal confidentiality laws. In addition, the destruction of any educational records of a student with a disability must be in accordance with IDEA regulatory requirements.

Child Find Information. Highland Prep actively seeks students, birth through age 21, that may benefit from special education services. We use this notice as one means of annually informing our school staff, the public, and all parents/guardian within the school's boundaries of our responsibility to make a free, appropriate public education (FAPE) available to all high school age students with disabilities.

In order to provide FAPE:

- Screening for possible disabilities will be completed within 45 calendar days after notification to the responsible public agency by the parents/guardians of the student, or after any student enrolls in our school without appropriate records of screening, evaluation, and progress in school. The Child Study Team (CST) will look at the student's ability in the areas of academics, vision, hearing, adaptive living, communication, social/emotional, and motor skills.
- For students who have not received Special Education services previously, this Child Study Team may then suggest modifications and accommodations to be implemented in the general education setting for a period of time. The CST will reconvene after these pre-referral interventions have been in use to determine their effectiveness.
- If, after consultation with the parents/guardian, the school determines that a full and individual evaluation is warranted, the school will provide required notices to the parents/guardians within 60 calendar days.
- An initial, comprehensive evaluation of a student being considered for special education will be completed, at no cost to the parents/guardian, as soon as possible, but time may not exceed 60 calendar days from receipt of informed written parents/guardian consent.
- In the case of a student who is identified with a special education need, a reevaluation of that need is conducted every 3 years, or more frequently if requested by the student's parents/guardian or teacher. The re-evaluation process need not include formal assessments.
- Some students who are not eligible for special education services may be eligible for support under Section 504 of the Rehabilitation Act of 1973. If eligible, District staff and the parents/guardian may develop a written plan to assist the student.

If you have knowledge of a student, birth through 21 years of age - including those attending private schools and home schools - who may require special education services, please contact the school.

HIGHLAND PREP

SPECIAL EDUCATION

The Individuals with Disabilities Education Act Amendment of 1997 (IDEA) is a federal special education law that requires school districts, charter schools and other public education agencies (hereafter referred to as the “school”) to provide a free, appropriate public education to eligible children with disabilities.

This free, appropriate public education refers to special education and related services described in an Individualized Education Program and provided to the child in the least restrictive environment.

Children with disabilities and their parents/guardian are guaranteed certain educational rights, known as procedural safeguards, from birth through age 21. IDEA and its implementing regulations also provide methods to help you assure that your input is considered. If your child is having difficulty in school, please check with the teacher to determine what interventions have been tried to help your child succeed. If the interventions are unsuccessful, a referral for special education evaluation may be necessary. You may contact the school administrator if you wish to make a referral personally. If special education disabilities are suspected, we are required to evaluate your child to identify and document whether your child has any disabilities that affect his or her learning and, if so, to determine what special education and related services are required. The evaluation will be done only after we have explained what we plan to do during the evaluation. We will use tests and procedures selected specifically for your child. The evaluation will not include basic tests or procedures used routinely for all students within a class, grade or school. This evaluation will be conducted according to federal and state requirements and will include the information you provide. Following the evaluation, we will provide you with the complete results within 60 calendar days of your written consent.

Parents/guardians have the right to inspect and review all education records and are entitled to all other rights guaranteed by the Family Educational Rights and Privacy Act. The school holds all psychological and special education records of students in permanent storage after those students have been removed from special education, have been withdrawn from the district, or have graduated.

ENGLISH LANGUAGE DEVELOPMENT PROGRAM

English Language Development is a program designated to provide support for English Language Learner (ELL/EL) students. ELD is required under federal law. Arizona uses information from the Home Language Survey form, included in student’s registration paperwork, to determine if a student is eligible for ELD services. Arizona law requires that students with a home language other than English be assessed for proficiency in oral language, reading comprehension, and written communication. Language and other countries of origin questions are only used by HP to determine eligibility of student services. Based on the results of the assessment, students may be placed in the English Language Development program designed to aid them in acquiring English.

Waiver/Refusal of ELD Services

Parents/guardians may refuse ELD services by annually waiving their student from the program. If the student is not waived, the student will be placed in an ELD program appropriate to their needs.

AZELLA

The Arizona English Language Learner Assessment (AZELLA) is a standards-based assessment that meets both state and federal requirements to measure students’ English language proficiency. AZELLA is used for both placement and reassessment purposes. Students who have been identified as second language learners on the Home Language Survey take the AZELLA placement test, and the students’ proficiency scores determine appropriate placement for instruction. Students who have been placed into an English Language Learner program will also take the AZELLA reassessment once per year until they achieve

HIGHLAND PREP

proficiency. Students who scored proficient on the AZELLA are then monitored for two years to help ensure success.

PARENTS/GUARDIANS RIGHT TO KNOW

Every Student Succeeds Act (ESSA), signed by President Obama on December 10, 2015, began the process to replace the ***No Child Left Behind Act***, which was implemented in 2002 to improve educational opportunities for all children. Many parts of the law, including professional development for teachers and extended learning opportunities for children, such as after-school tutoring, have been common practices in Highland Prep. The law affects parents/guardians and students in several ways. One part of the law is highlighted below.

Teacher Qualifications

The federal government provides assistance to schools serving students from high-poverty backgrounds through the Title I program. Parents/guardians of students attending Title I schools may request information about the professional qualifications of their child's classroom teacher. Specifically, parents/guardians may request information about:

- Whether the teacher has met criteria for the grade levels and subject areas taught;
- Whether the teacher is teaching under an emergency credential or license, or other provisional status;
- The baccalaureate degree major of the teacher and any graduate degree held by the teacher, and the field of discipline of that degree; and
- Whether your child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to know the qualifications of your child's teacher or paraprofessional, please contact the Principal at **602-745-3800**.

EQUAL EDUCATIONAL AND EMPLOYMENT OPPORTUNITY

Highland Prep provides a nondiscriminatory learning environment, ensuring that all students and staff are free from discrimination regarding race, color, ethnicity, national origin, gender, religion, disability, or any other characteristics. A lack of English language skills will not be a barrier to admission and participation in the education programs of the school. This commitment extends to all school programs and school sponsored events. In the event a student experienced discrimination, the student should report the incident to the school administration immediately. The inability of a student to speak English should not prevent the student from reporting a violation. Every reasonable measure to interpret the non-English speakers' concerns will be taken. Federal law prohibits discrimination on the basis of race, color, national origin, gender, religion, or disability. If an alleged incident is not resolved at the school level the complainant may contact the school's compliance officer. The compliance officer handles all complaints under Title IX, Title VI, Section 504 and the ADA.

HIGHLAND PREP

SCHEDULE AND ATTENDANCE POLICY**EXPLANATION OF THE SCHEDULE**

Highland Prep operates on a 4 class by 4 quarter schedules. Core classes are scheduled for two quarters, whereas elective classes may be one or two quarters in duration depending on the elective. Each quarter consists of approximately 45 class days. Highland Prep believes that attendance and participation are integral to success at Highland Prep, therefore students who miss more than three (3) days per quarter, may receive a letter grade of an 'F' in each respective class. Exceptions to this rule will require advanced notice, appropriate documentation, and will be solely determined by school administration.

Students will be released at 1:30 p.m. on Early Release Days for teachers to pursue professional development opportunities.

ARIZONA STATE ATTENDANCE POLICIES**Title 15 - Education****15-802. School instruction; exceptions; violations; classification; definitions**

- A. Every child between the ages of six and sixteen years shall attend a school and shall be provided with instruction in at least the subjects of reading, grammar, mathematics, social studies and science. The person who has custody of the child shall choose a public, private or charter school or a homeschool as defined in this section to provide instruction or shall sign a contract to participate in an Arizona empowerment scholarship account pursuant to section 15-2402.
- D. Notwithstanding anything else in this section, a person is excused from the duties prescribed by subsection A or B of this section if any of the following is shown to the satisfaction of the school principal or the school principal's designee:
 - 2. The child has completed the high school course of study necessary for completion of grade ten as prescribed by the state board of education.
- E. Unless otherwise exempted in this section or section 15-803, a parent of a child between six and sixteen years of age or a person who has custody of a child, who does not provide instruction in a homeschool and who fails to enroll or fails to ensure that the child attends a public, private or charter school pursuant to this section or fails to sign a contract to participate in an empowerment scholarship account pursuant to section 15-2402 is guilty of a class 3 misdemeanor. A parent who fails to comply with the duty to file an affidavit of intent to provide instruction in a homeschool is guilty of a petty offense.

15-803. School attendance; exemptions; definitions

- A. It is unlawful for any child who is between six and sixteen years of age to fail to attend school during the hours school is in session, unless either:
 - 1. The child is excused pursuant to section 15-802, subsection D or section 15-901; subsection A, Paragraph 5, subdivision (c).
 - 2. The child is accompanied by a parent/guardian, or a person authorized by a parents/guardian.
 - 3. The child is provided with instruction in a home school.

HIGHLAND PREP

- B. A child who is habitually truant or who has excessive absences may be adjudicated an incorrigible child as defined in section 8-201. Absences may be considered excessive when the number of absent days exceeds ten percent of the number of required attendance days prescribed in section 15-802, subsection B, paragraph 1.
- C. For the purposes of this section:
 - 1. "Habitually truant" means a truant child who is truant for at least five school days within a school year.
 - 2. "Truant" means an unexcused absence for at least one class period during the day.
 - 3. "Truant child" means a child who is between six and sixteen years of age and who is not in attendance at a public or private school during the hours that school is in session, unless excused as provided by this section.

15-805. Attendance Officer; powers and duties

- A. The attendance officer may enforce the law relating to:
 - 1. School attendance of children between the ages of six and sixteen years.
 - 2. The provisions of section 15-802, subsection E, and section 15-803.
 - 3. Employment of children between the ages of six and sixteen years.
- B. The attendance officer may:
 - 1. Issue a citation to an adult or child who is alleged to be in violation of laws specified in subsection A of this section to appear before a court of competent jurisdiction and shall advise the person to whom the citation is issued that failure to appear at the time and place specified in the citation may result in the issuance of a warrant for the person's arrest. A citation that is issued to a child under eighteen years of age shall require the child's parent/guardian or person having custody to appear with the child at the time and place specified in the citation. The attendance Officer shall notify the child's parent/guardian or person having custody that the citation was issued and that the parent/guardian or person having custody is required to appear in court with the child and shall give proof of the notice to the court.
 - 2. Issue a citation on an Arizona traffic ticket and complaint form for any violation of laws specified in subsection A of this section.
 - 3. Report a violation of a law specified in subsection A of this section to the local law enforcement
 - 4. Agency and request an investigation of the violation. The law enforcement agency shall, when sufficient cause exists, refer the matter for prosecution. Enter all places where children may be employed to investigate and enforce the law.

15-841. Responsibilities of Pupils

- B. A pupil may be expelled for excessive absenteeism if the pupil has reached the age or completed the grade after which school attendance is not required as prescribed in section 15-802. A school district may expel pupils for actions other than those listed in this subsection as the school district deems appropriate.

HP STUDENT ATTENDANCE POLICY

The right and privilege of attending public school carries with it certain responsibilities on the part of parents/guardians and students. High school attendance is ultimately the responsibility of the student and their family. It is important that parents/guardian/guardians and students recognize the direct relationship that exists between academic success and regular school attendance. Students should remain out of school only when absolutely necessary. Much classroom activity cannot be replicated; class discussion and participation is lost forever to those who are absent.

Highland Prep's program uses a unique 4 class by 4 quarter schedule system. During the regular school year, we offer four quarters as reflected on the school calendar. During each quarter, the student is

HIGHLAND PREP

enrolled in four courses. Each course meets five days a week (Monday through Friday) for 90 minutes (75 minutes on Early Release Days). At the end of each quarter, earned credits for core and elective courses are applied to the transcript.

Attendance is mandatory. **During a 45-day quarter, a student may accumulate no more than 3 absences.** Once a student has 4 absences in a class during a 45-day period, a final grade of “F” may be issued for that class. Also, if a student misses more than ten consecutive, unexcused days of classes, then she/he is withdrawn from school. Eligible students who are withdrawn from the school may re-enroll through the enrollment process. If the school is at full enrollment capacity, students who have withdrawn will be placed on a waiting list for available spots.

All absences should be phoned into the Office on the day of the absence. Highland Prep will call home for all absences – regardless of the reason. If an illness or emergency occurs that keeps the student from attending school, the parents or guardian must contact the school and explain the reason for missing classes. Although not required, an original, signed, doctor’s note is requested to be submitted for any absence or tardy as a result of a doctor’s visit due to illness or necessary appointment. If an extended absence should occur, due to a medical reason, the student or parents/guardian must arrange a meeting with administration to discuss the coursework and class time missed prior to returning to school. In the event of doctor’s appointment or hospitalization, although not required, **Highland Prep requests an original signed note from the healthcare provider.**

Except in cases of an emergency, students may not be signed out early during the last week of a quarter. The last week of every quarter is considered a blackout week. This is the time when final exams and projects are distributed and completed. Missing class or leaving early will jeopardize a student’s ability to receive a passing grade in a course. **Finals will not be administered early or rescheduled to accommodate an absence** unless approved by administration. **Vacations will not be honored as excusable absences.** All vacations should be scheduled during the break times designated on the HP school calendar.

For additional information regarding the attendance policy refer to the Discipline Matrix on page 39.

Blackout/Mandatory Attendance days for 2024-2025

October 7th-11th, 2024

December 16th– 20th, 2024

March 10th – 14th, 2025

May 19th – 23rd, 2025

REPORTING STUDENT ATTENDANCE

State law requires that you authorize your student’s absence and notify the school at the time or in advance of the absence. Please contact the School Office to report any absence issues. If the school does not hear from you a call will be placed to the home. If there is no answer the absence will be deemed an “Unexcused” absence. Highland Prep requests that within 24 hours from the time your student returns to school, you provide documentation as to the reason for the absence, such as a doctor’s note, medical release, hospital discharge, etc. If the School Office does not receive communication from you, your student’s attendance will remain “Unexcused”. We encourage you to bring any documentation to the Office and to not send notices of attendance to your student’s teachers. This will avoid any delay in receipt to the appropriate party.

**MAKE-UP WORK**

In order to receive credit for a course, the student must attend class and complete all work required at a level that is acceptable by the teacher. The schedule for make-up work is as follows:

- a) Missed Assignments: Student has 2 days from each absence to complete missed assignments. Make-up privileges shall not exceed one (1) week without written approval.
- b) Missed Tests: Missed tests will be administered on the day specified by the teacher.
- c) Missed Quizzes: Missed quizzes will be administered at the teacher's discretion.

TARDY POLICY

Being late to school is a disruption to the learning environment for both the teacher and the students. It also puts the student who is tardy at a disadvantage in that they do not receive the maximum benefit of all the instruction that goes on in the classroom.

Students arriving after the start of class must sign in and will not be permitted to class without a late pass from the Office. Additionally, students who arrive late will be asked to assist with campus or breakfast clean-up which is a form of community service codified under A.R.S. 15-841 (I) prior to reporting to class.

Students will be assigned detention once he/she has accumulated 3 tardies. Students arriving 20 or more minutes late at school will not be permitted to class and will be marked absent. Admittance to class due to extenuating circumstances will be based on the discretion of administration. Only students with an original, signed, doctor's note indicating the student had an appointment will be permitted to class after the 20-minute period. Excessive tardiness will be referred to administration and disciplinary action may be taken pursuant to A.R.S. 15-802. Please refer to the discipline matrix on page 42 for further guidance.

HP VISITOR POLICY

This policy explains the conditions in which HP permits visitors on the school campus in accordance with A.R.S § 15-184. In addition to the direction stated in this policy, compliance with state and federal law is required. Under no circumstances may any individual who does not possess an IVP Fingerprint Clearance Card be permitted to be alone with a student unless the visitor is the parent or legal guardian of the student.

All approved visitors are required to: (1) Sign in at the front office; (2) Present a photo ID, (3) Wear a visitor's guest pass; (4) Visit only those rooms/areas approved by School Administration, (5) Sign out at the front office when leaving the campus.

Parents of Enrolled Students: Parents of students enrolled at Highland Prep may request to visit, tour, or observe their child's classroom (a "campus visit"), subject to the following parameters:

- All campus visit requests must be received by the school at least 2 academic days in advance of the proposed visit, provided that the school, in its sole discretion, may waive the 2 academic day advance notice requirement on a case-by-case basis.
- Campus visit requests will be reviewed and approved by School Administration, provided the visit will not threaten to interfere with the physical, intellectual, social, or emotional health and/or safety of students and staff.
- Visitors are not permitted to tour or observe classrooms during designated blackout dates which includes, but is not limited to: State and National assessment testing, Beginning or End of Course testing periods, mid-terms, and final exams.

HIGHLAND PREP

All visitors and observers are expected to be respectful of the learning environment and shall avoid interacting with students or staff during classroom observations. Visitors are prohibited from assisting students with their work. During any approved campus visit, parents will be subject to all policies applicable to campus visitors generally, including safety requirements for providing identification, signing in and out of the campus, and if applicable, being accompanied by school staff.

Parents of Potential Students. Parents or guardians who wish to enroll their children at HP are encouraged and permitted to visit, tour, and observe HP classrooms; subject to the same parameters set forth above for parents of enrolled students. In addition, parents of potential students will be required to be accompanied at all times during any campus visit by School Administration.

Guest Presenters/Instructors. School Administration may approve, as appropriate, guests to visit the classroom to support relevant student learning objectives. Presenters should stay on topic and avoid controversial and/or unrelated topics and material.

Other Individuals. Other individuals wishing to visit a classroom must demonstrate an appropriate objective and be approved by School Administration. Individuals must be accompanied by School Administration at all times during their visit.

Scheduling. Approved campus visits will be scheduled at a mutually convenient time for the school and the parents, and may be limited to a specific time frame, at the school's discretion.

Health and Safety Parameters. Tours, visits, and observations shall not be permitted when a visit, tour, or observation threatens the health and safety of HP pupils and staff.

Parent Behavioral Expectations. HP is committed to creating and maintaining a learning atmosphere where children feel safe and are free from outside distractions. During any campus visit, visitors should dress conservatively, avoid profanity, and conduct themselves in a professional and collaborative manner with HP staff and students. Disruptive behavior will not be permitted.

Consistent with this expectation, parents/visitors that fail to meet these standards will be asked to leave the campus. Those who consistently interfere with the learning environment may be banned from visiting the campus pursuant to A.R.S. §13-2911. Visitors will not be permitted to take pictures, record video, or record audio unless they have written permission from the School Principal.

SCHOOL INFORMATION

SOLICITATION

Solicitation of or by any student, parents/guardian, staff member, or school visitor on school property for any cause except those authorized by the administration is strictly prohibited.

COMMUNICATION WITH THE SCHOOL

Parents/guardians may contact teachers and school administrators through the office or by email. Parents/guardians can expect a return call within 24 hours (excluding holidays and weekends). Parents/guardians should keep contact information current with the Office. If you do not receive a response back by the end of the following school day from the teacher, please contact the school administration. Parents/guardians arriving for 'scheduled meetings' are required to sign in and out at the School Office when they arrive at the school and must wear a guest badge. Meeting arrangements should be made directly with the classroom teacher prior to classroom visits. Informal conferences or conversations may be scheduled with teachers or school leaders throughout the year. Parents/guardians need not wait for a formal parents/guardian conference to talk to teachers. In resolving disputes that stem from activities in the classroom, parents/guardian should first contact the teacher to discuss the

HIGHLAND PREP

matter. If that does not resolve the issue, please request a meeting with school administration thereafter.

BREAKFAST/LUNCH

The cafeteria at HP is open before school for breakfast and during school for lunch. Highland Prep partners with a catering service to provide a variety of nutritious breakfast and lunch options. Breakfast and lunch menus are available on the HP website. Free and reduced meal applications are available in the front office at the beginning of the school year. Applications may also be submitted online through the school website. Meal accounts can be managed online using www.highlandprepaz.net/lunch-program/.

Cafeteria policy now requires students to show their ID when purchasing breakfast and/or lunch. Students who do not have their ID will be required to go to the end of the line so as not to slow down the line. Breakfast and lunch payments must be made before 8:00am in the cafeteria. Failure to make payment in the morning may result in not being able to purchase food during lunch. Cafeteria policy now prohibits students making payments during lunch.

Students at Highland Prep should take pride in their clean campus and are urged in every way possible to help keep the cafeteria area clean. Highland Prep is a closed campus. Students may NOT leave campus during the school day for any reason including lunch.

The delivery of food from external vendors or third-party delivery services onto school grounds is strictly prohibited. Students who violate this policy by arranging for such deliveries will be subject to disciplinary action. Any food products delivered in breach of this policy will be held in the main office until the end of the school day.

The cost for school meals for the 2024-2025 school year are:

- \$0.30 for reduced breakfast*
- \$0.40 for reduced lunch
- \$2.60 for paid breakfast*
- \$3.60 for paid lunch

**The Arizona legislature appropriated one-time funding to offer meals free of charge to students who are certified as eligible for reduced-price meal benefits during the 2024-2025 school year.*

MEDICINE AT SCHOOL

The Office will not administer medicines and prescription drugs unless given permission and instructions by the parent/guardian of the student. If the student is required to take prescription medicine at school, please provide written instructions and the medicine in its original container to the Health Associate's Office. Any medications not picked up at the end of the school year will be destroyed.

All medications (except prescribed inhalers and Epi-pens) will be secured in the Health Associate's Office and administered by the Health Associate or designated personnel. Students may not carry any medication, or keep medicine in their vehicle or backpack, except for cough drops and antacids. Inhalers and/or an Epi-pen may be carried (with a completed **Parents/guardian Physician Request for Medication form**). Students may not share medications with other students.

Parents/guardian must notify the school of any medication (over-the-counter or prescribed) to be taken by a student. All medications supplied from home on a temporary or long-term basis must be sent to school in the original container, or it may not be administered by any staff. If it is not in the original

HIGHLAND PREP

container the parent/guardian will need to come to school and administer the medication if absolutely necessary for the health of the student.

A **Parent/guardian Physician Request for Medication form** must be completed by the parent/guardian and prescribing physician and kept on file in the Office for the duration of treatment. A new form must be completed each school year if necessary.

ILLNESS AND ACCIDENTS AT SCHOOL

You will be notified if your student becomes ill enough to be sent home from school, sustains more than a minor injury, or has an emergency. It is the parent's/guardian's responsibility to make arrangements to pick up an ill or injured child as promptly as possible.

The Health Associate or designated staff member will administer initial treatments for minor injuries. The student's emergency contact will be notified by phone whenever medical treatment is administered to a student. In such cases, it is especially crucial that the school has working telephone numbers for the students' parent/guardian and alternate contacts in the event the parent/guardian is not available. In the event of an emergency, the student will be transported to the nearest hospital. The school offers information regarding the purchase of student accident insurance. The school is not responsible for reimbursement of medical expenses.

COMMUNICATION ON SAFETY ISSUES

If a significant safety issue arises on the school campus, the administration will determine the best way to provide information to parent/guardian. That might be through a letter sent home with students, or a message recorded on the school's telephone system, and/or an email blast. Parents/guardian are expected to keep the school apprised of their current contact information (see also: Student Attendance, Communication with the School, Enrollment Process, and Parents/guardian Expectations). Events that are practiced throughout the year include fire drills, lock down drills, and bus evacuation drills. Families will not be contacted about practice events. The school will have one fire drill per month during school hours. Lockdown drills will be held quarterly. The school has a specific set of safety protocols in place for a variety of safety threats and safety areas have been designated. Teachers and staff are trained in these safety protocols and drills are practiced with students regularly.

If a parent/guardian is on school grounds during a practice event the parent/guardian is also expected to participate in the drill. If a parent/guardian should arrive during a practice event, they will not be permitted on school grounds until the drill is complete.

CHILD CUSTODY RECORDS

In cases where custody/visitation affects the student, the school will follow the most recent court order on file. It is the responsibility of the custodial parents/guardian, or of parents/guardian having joint custody, to provide the school with the most recent court order. We are required by law to follow the most current court documents in our files. If parents/guardian do not provide the school with applicable court orders, both parents/guardian will be given equal access. The school is not permitted to limit access without a court order authorizing such limitation.

CHILD ABUSE REPORTING (A.R.S 13-3620)

State law requires school employees to report reasonably suspected cases of neglect, non-accidental injury or sexual offenses against children to the Department of Child Safety or local law enforcement agencies. State law from civil or criminal liability protects people who are required to report reasonably suspected abuse. Each school site has a child abuse team for processing suspected cases of child abuse. Reports of child abuse are confidential records.

**LAW ENFORCEMENT/CHILD PROTECTIVE SERVICES**

School officials are not required to initiate or complete due process procedures prior to notifying law enforcement officers. If law enforcement officers are notified, parents/guardian will be contacted by telephone or certified letter. Any action taken by law enforcement officers will be separate from disciplinary action taken by the school.

If a student is arrested or taken into temporary custody on school property during the school day, the school no longer has jurisdiction over the student. The school will make a reasonable effort to notify the parents/guardian when an arrest is made or a student is taken into temporary custody, unless lawfully directed not to make such contact.

Interviews by Department of Child Safety workers and law enforcement officers may be conducted at Highland Prep. Except under certain circumstances related to child abuse allegations, the school administrator will make a reasonable effort to notify the student's parents/guardian of the interview.

MEDIA RELEASE POLICY

Highland Prep is frequently approached with requests for interviews and pictures by print and broadcast media outlets. Highland Prep reserves the right to make, produce, reproduce, exhibit, distribute, publish, and transmit by means of live broadcast, Web site, videotape, photograph, and print student's **first name only**, grade, voice, picture, likeness, and actions as an individual in connection with school activities.

When information regarding student performance is made public, it will be presented in such a way as to avoid the identification of specific individual students. People and groups interested in our program may visit the school. If for any reason, you do not wish to have your student photographed, videotaped, or otherwise contacted by the media, **please indicate in the Permission to Release News Information section of the Consent for Off Campus Activities Form in the Office.**

Compliance with Required Insurance

For the protection of the student and his/her family, we strongly suggest that some type of accident insurance cover every student.

USE OF HP ELECTRONIC INFORMATION SYSTEM

To meet the needs of our students, increase student achievement, and ensure Highland Prep students are college and career ready, students will be required to use, an HP issued Chromebook for school related purposes. This process provides enhanced network security and ensures seamless access to all necessary academic resources. Issuance of an HP device is a privilege which comes with responsibilities on both the students and parent/guardian's part. **Downloading unauthorized software, programs, or addons to a Chromebook or any school device is strictly prohibited.**

Highland Prep provides access to its school computer systems, computer networks, school-adopted tools and devices, software applications, email and the Internet for educational purposes only, including accessing and sharing information with teachers and other students, storing files, conducting research, and collaborating on projects with others.

A user who violates this policy shall, at a minimum, have access to the network and Internet terminated and is subject to additional disciplinary action based on the severity of the violation. All users are bound by the Highland Prep's Code of Conduct and the terms and conditions outlined in Internet Acceptable Usage policy and the Chromebook Acceptable Usage policy.

HIGHLAND PREP

In addition to usage of HP networks and the internet, students will need access to a public or private network outside of school in order to access textbooks, conduct research, and complete homework, among other tasks. Securing a public or private network for internet use outside of school is the responsibility of the student and parent/guardian. The following expectations must be followed. Violation of the expectations outlined below and in HP's Internet Acceptable Usage policy and Chromebook Acceptable Usage policy may be subject to revocation of the student's ability to use an HP issued Chromebook or any school device, and/or networks and internet. The student will be subject to school disciplinary action.

Access to student Wi-Fi is restricted. Requests for access to student Wi-Fi must be made to the School Principal.

STUDENT SAFETY/EDUCATION

Cyber-bullying: Cyber-bullying means any intentional, electronically transmitted (including the use of text messaging, instant messaging, AI messaging, Deepfake media, or the posting of text or images) verbal or graphic act that a student or group of students repeatedly exhibit toward another student(s) and the behavior causes mental harm (including humiliation and embarrassment) and is sufficiently severe, persistent or pervasive.

Any cyber-bullying, harassment or intimidation is strictly prohibited. If a student is found to have engaged in cyber-bullying, disciplinary action will be recommended. If a student thinks that he or she is the victim of cyber-bullying, the situation should be immediately reported to the administration. Additionally, students are encouraged to notify administration if they suspect another student is being cyber-bullied.

Sexting: Sexting is the sending of sexually explicit images through any electronic media, including but not limited to text messaging, instant messaging, or email. Sexting is strictly prohibited and is considered a Category III misdemeanor offense. Sexting should be immediately reported to the administration.

Depictions of Prohibited Conduct: Never make, reproduce or distribute videos, images, sound recording, or other mediums that show behavior prohibited by the Code of Conduct on school property or at school events, including using school-owned or personal electronic devices. Never post depictions of prohibited behavior on social networking sites such as Facebook, Google Plus, YouTube, Instagram, Snapchat or any other similar websites. Any depictions of prohibited behavior must be immediately turned over to administration.

Social Networks/Chat Rooms: Never post personal information, such as full name, Social Security number, address, telephone number, bank or credit card numbers, etc. Consider not posting photographs of yourself. Never post sensitive or inappropriate photos. If you do post a photo, consider whether it is a photo that your mother would display in the living room. Assume that everything you post is on the Internet permanently. Do not agree to meet in person someone you know only from a social networking site or chat room.

Highland Prep's policies on "Plagiarism/Cheating," "Bullying and Other Forms of Aggressive Behavior," and "Bullying – Harassment – Intimidation — Sexting" **apply to Internet/network conduct.**

Do not use network or Internet access to make, distribute or redistribute jokes, stories or other material based on slurs or stereotypes relating to race, sex, gender, ethnicity, nationality, religion or sexual orientation.

HIGHLAND PREP

Do not use the network or Internet for any illegal activity, including (a) tampering with computer hardware, software or data, (b) unauthorized entry into computers and files (hacking/cracking), (c) knowledgeable vandalism or destruction of equipment, and (d) deletion of computer files. Such activity is considered a crime under both state and federal laws and will be disciplined accordingly.

Do not use the network or Internet to send messages relating to or in any way supporting illegal activities such as the sale or use of drugs or alcohol; support of criminal or gang activity; threats, intimidation or harassment of any other person

Teachers may allow individual students to use email, electronic chat rooms, instant messaging, social networking sites and other forms of direct electronic communications, including Gmail and Google Hangouts, for educational purposes only and with proper supervision.

Artificial Intelligence (AI)

“Artificial intelligence” or “AI” is intelligence demonstrated by computers, as opposed to human intelligence. Examples of AI technology include ChatGPT and other chatbots and large language models.

AI is not a substitute for schoolwork that requires original thought. Students may not claim AI generated content as their own work. The use of AI to take tests, complete assignments, create multimedia projects, write papers, or complete schoolwork without permission of a teacher or administrator is strictly prohibited. The use of AI for these purposes constitutes cheating or plagiarism.

In certain situations, AI may be used as a learning tool or a study aid. Students who wish to use AI for legitimate educational purposes must have permission from a teacher or an administrator. Students may not use AI, including AI image or voice generator technology, to violate school rules or school district policies.

In order to ensure academic integrity, tests, assignments, projects, papers, and other schoolwork may be checked by AI content detectors and/or plagiarism recognition software.

Deepfake Technology

Students are prohibited from creating or distributing deepfake videos, images, or audio; which includes any media manipulated by artificial intelligence to overlay images and/or augmented audio on others’ bodies.

Privacy: Network and Internet access is provided as a tool for your education. Highland Prep reserves the right to monitor, inspect, copy, review and store at any time and without prior notice any and all usage of the computer network and Internet access and any and all information transmitted or received in connection with such usage. All such information files shall be and remain the property of the District, and no user shall have any expectation of privacy regarding such materials.

Copyright: All students and faculty must adhere to the copyright laws of the United States (P.L. 94-553) and the Congressional Guidelines that delineate it regarding software, authorship, and copying information. Do not download copyrighted material or software without the permission of the owner.

Using any device to access HP networks, software, or hardware to modify, decompile, disassemble, decrypt, or perform any action that would alter or damage HP software or hardware, whether intentional or unknowingly, will result in revocation of my student’s ability to use HP technology, networks and internet. In addition, the student will be subject to school disciplinary action.

HIGHLAND PREP

Transportation

Students are responsible for transportation to and from school. Highland Prep does not provide a bus service. Occasionally, school vehicles will be utilized to transport students to and from events.

Students who ride in Highland Prep vehicles are required to abide by the following expectations:

- Respect the driver, other passengers, and their property.
- Follow all directions.
- Seats are assigned by the vehicle driver.
- Seatbelts are required to be worn at all times.
- Keep all parts of the body inside the vehicle at all times.
- Students should talk quietly and keep their hands to themselves.
- All students should be courteous of those around them. No profanity, vulgar language, or obscene gestures allowed.
- No eating, chewing gum, or drinking. (Except water.)
- Students are to remain in their seats until the bus comes to a complete stop.
- Students will only be allowed to exit the vehicle at the assigned destination.
- No littering or destruction of the vehicle.
- Personal belongings are the responsibility of the student that they belong to and shall be under the passengers control at all times.
- No hats or hoods are allowed to be worn inside the vehicle.
- Student ID's are required to board the vehicle.

All Highland Prep rules apply while riding in HP vehicles. Failure to follow rules or the expectations outlined above may result in lost privileges to utilize the Highland Prep transportation system.

Student Parking Policy

Driving on the Highland Prep campus is a privilege. Parking privileges are reserved for seniors first. Parking permits are issued on a first-come, first-serve basis. Any parking on campus without permission will be subject to school disciplinary action. Any unregistered and unauthorized cars may be towed away at the owner's expense. By entering school property, the person in charge of any vehicle consents to a search of the vehicle, with or without cause by school officials or the police. The search may include the passenger compartment, engine compartment, trunk and all containers locked or unlocked in or on the vehicle.

Students applying for a parking permit must be in good academic, attendance, and behavioral standing. All requests will be carefully screened, and only valid applications will be approved due to the limited number of available parking spaces. Students with a history of attendance problems (including excessive tardiness and unexcused absences) or disciplinary problems may not be issued a permit. Complete compliance with the school rules is expected. Failure to abide by the following regulations may result in the loss of the parking permit.

HIGHLAND PREP

The Parking Permit Application Form needs to be completed and returned. Forms are available in the Office. This must be signed by the parent/guardian and student and returned when purchasing the permit. The following regulations must be followed:

1. Before a permit will be issued, a student must produce the following:
 - A) Documentation of valid driver's license
 - B) Current vehicle registration
 - C) Current proof of insurance
2. All cars must be registered with the HP office and bear a parking permit.
3. Parking is first come, first served. Approved students may only park in approved spaces.
4. Parking permits are issued with the understanding that parking space is limited and not guaranteed on a daily basis. Certain events or arriving late to school will present parking challenges. Parking permits must be visible in the front window of any vehicle parked on campus. If a car does not have the proper permit, it will be towed at the owner's expense.
5. All cars must be parked on school grounds, in the designated student parking lot.
6. When students arrive, they are to park their car, lock it and immediately go into the building. They are not to return to their car until the end of their school day, except by special permission by the school administration.
7. Parking permits will be issued and/or revoked by administration. (Students with a history of attendance or disciplinary problems may not be issued a permit.) There is no guarantee that students who apply for a permit will be issued one.
8. Students must always have their car under control. Speed limit is not to exceed 5 mph in the parking lot. Careless and reckless driving is prohibited. Student drivers may not interact with pedestrians while their car is in transit. Excess noise will not be tolerated. Student drivers may not enter the parking lot through the exit.
9. Any driving without permission will be subject to school disciplinary action. Any unregistered and unauthorized cars may be towed away at the owner's expense.
10. Driving students who leave or transport other students away from the building during school hours will be faced with disciplinary action, which may include revocation of driving permit and suspension from school.
11. By entering school property, the person in charge of any vehicle consents to a search of vehicle with or without cause by school officials or the police. The search may include the passenger compartment, engine compartment, trunk and all containers locked or unlocked in or on the vehicle.
12. Although the parking lot is supervised, Highland Prep will not cover loss or damage to any vehicle and is in no way responsible for such.
13. Permits will cost \$60.00 per year. When you must drive a different vehicle than the one that has a permit issued to it, you must notify the school Office first thing that day.
14. Any student who purchases a replacement permit will have to show proof of ownership of that vehicle before a replacement permit is issued. Any student who purchases a replacement permit and gives the permit to another student will have both permits REVOKED and other disciplinary action may be taken.
15. Parking will be allowed only in spaces that have been marked as parking spaces. Cars parked in other areas will be ticketed and/or towed away at the owner's expense.
16. Parking Permits will not be issued to any student who owes Highland Prep any monies for prior fees.
17. Student drivers needing to leave school early for any reason (doctor/dentist appointment, etc.) must be signed out by a parent/guardian in the Office.

HIGHLAND PREP

18. Parking permits must be returned at the end of the school year. Failure to return permit will result in revocation of future parking privileges.
19. There is a \$10.00 replacement fee for lost or stolen permits.

Failure to follow the policies outlined and/or changes in academic, attendance, or behavior may result in revocation of a student's parking permit. On campus parking privileges may be revoked at the sole discretion of the school administration.

SCHOOL PROPERTY

Highland Prep is the owner of and has control over all school property. School officials may inspect school property for cleanliness and order without notice and without consent, whenever reasonable suspicion exists that the student has violated a school rule and/or the law, or that the health, safety, or welfare of students or staff may be in danger.

Additionally, students who deface or damage any school property may be suspended or expelled from school. Under Arizona law, parents/guardians are liable for damage done to school property by their children.

ASSESSMENT OF LEARNING

In order to ensure that Highland Prep students are being challenged academically, their performance in reading, writing, and mathematics is assessed continuously throughout the school year using a variety of measures.

Arizona's statewide high school assessment is the ACT exam. This exam is administered to all Grade 11 students and ACT Aspire exam, administered to all Grade 9 students. Additionally, all Arizona high schools must administer the AzSCI exam, the statewide assessment in science, to Grade 11 students.

The school-day SAT is offered to HP seniors in the fall and HP juniors in the spring. All students in grade 9-11 will take the PSAT/NMSQT in the fall at no cost to our families.

In partnership with the College Board, HP provides high school instruction in English Language Arts and Mathematics using the rigorous Pre-AP Springboard curriculum. As such, the annual assessment of students in English Language Arts and Mathematics, as required by state and federal statute, will now align with classroom instruction in these content areas.

ACADEMIC EXPECTATIONS & POLICIES

STUDENT CALCULATORS

Students are required to have a calculator for use in all math courses. Highland Prep recommends that students have a Texas Instrument TI-84 graphing calculator or the equivalent. Highland Prep has TI-84 calculators available for check out. A TI-84 Checkout Agreement must be filled out by the student and parent/guardian and deposit paid for a calculator to be checked out. Checking out or purchasing calculators is the responsibility of all students enrolled in high school math courses.

Chromebooks

Students are required to have an HP Chromebook. Highland Prep has Chromebooks available for checkout. A Chromebook/Internet Agreement must be filled out by the student and parent/guardian and damage deposit paid for a Chromebook to be checked out. Checking out a Chromebook is the responsibility of all students enrolled in high school courses at HP. The deposit will be waived in the

HIGHLAND PREP

event of economic hardship to the pupil. Any student who needs such waiver must contact the school Principal to receive the fee waiver consent form required.

UNINTERRUPTED INSTRUCTIONAL TIME

We believe in providing the student the gift of uninterrupted learning time. Class time is a period of 90 minutes, Monday, Tuesday, Thursday, and Friday and 75 minutes on early release Wednesdays. During this time Highland Prep requires the student to concentrate on academics and not be distracted. When you have messages, materials, lunch money, etc., for a student, please bring them to the school Office and school personnel will deliver these to the student.

Please schedule any appointments outside of the instructional day. Removing students from class early will result in an absence for missed periods.

ACADEMIC SUPPORT FOR MANDATORY TUTORING

Students with grades that fall below 70% will be assigned mandatory tutoring by their teacher on the first school day of each week. In doing so, teachers will provide students with additional instruction and opportunities to correct assigned work or complete additional work until such a time the student's grade is above 70%.

The procedure for Academic Support for After-School Detention is as follows:

1. The teacher will complete the Mandatory Tutoring Contract identifying when the student should report for mandatory tutoring. The contract must be signed by the student and parents/guardian/guardian and returned to the teacher the following day.
2. Teachers should input student in the Mandatory Tutoring Contract Form in Google Forms.
3. If a contract is not returned, the teacher should follow up with the parent/guardian to ensure the parent/guardian is aware of the tutoring contract.
4. Assistant Principal will document attendance and any follow-up with the teacher on the Mandatory Tutoring Contract Log in Google Forms.
5. Teacher will forward the Mandatory Tutoring Contract with the current student grade to Assistant Principal when tutoring has been completed.
6. Assistant Principal will forward Mandatory Tutoring Contract Log to the Principal for additional student intervention on a weekly basis.

HOMEWORK

Homework is assigned to aid each student in time management, personal responsibility, strengthening of basic skills, practicing of skills for concepts taught in class, developing initiative, and fostering independent learning. Homework will also keep parents/guardians involved in their student's daily work, academic progress, and the curriculum at Highland Prep. Daily homework will be assigned for each class in accordance with the following guidelines:

Grade Level	Minutes per Class
Freshman courses	20 minutes
Sophomore courses	25minutes
Junior courses	30 minutes
Senior courses	30 minutes
AP courses	60 minutes

ACADEMIC SUPPORT FOR NO HOMEWORK

Students that do not complete their daily homework assignment will be referred by their teacher to after-school homework support on the day of the occurrence. In doing so, teachers endeavor to reduce

HIGHLAND PREP

the student failure rate in their classes which in turn effectively reduces mandatory student tutoring due to missed or incomplete assignments.

The procedure for Academic Support for No Homework is as follows:

1. Teacher will complete the Homework Support Form in Google Forms.
2. Teacher will have students notify parents/guardians of after school homework support.
3. Assistant Principal will assign students to after-school homework support classroom prior to dismissal as indicated on the Homework Support Log in Google Forms.
4. Assistant Principal will document attendance and any follow-up on the Homework Support Log in Google Forms.
5. Assistant Principal will forward Homework Support Log to the Principal for additional student intervention on a weekly basis.

GRADING SCALE

The following grading scale has been established:

90 – 100	= A
80 – 89	= B
70 – 79	= C
60 – 69	= D
0 – 59	= F

GRADE POINT AVERAGE (GPA)

Unweighted GPA: The cumulative unweighted grade point average includes all general courses taken for credit. It is calculated for high school graduation purposes, as follows:

A = 4.00 grade points
B = 3.00 grade points
C = 2.00 grade points
D = 1.00 grade points
F = 0.00 grade points

Weighted GPA: The cumulative weighted grade point average includes additional weight for Honors, Advanced Placement (AP), and Dual Enrollment courses taken for credit. It is calculated for high school graduation purposes, as follows:

A = 5.00 grade points
B = 4.00 grade points
C = 3.00 grade points
D = 1.00 grade points
F = 0.00 grade points

PROGRESS REPORTS

The primary function of a progress report is to communicate information to parents/guardians about their student's current achievement status in regard to specific learning objectives in each curriculum area. Each student's progress is reported to parents/guardians four times a year. These dates can be found on the school calendar. It is the belief of Highland Prep that an open line of communication between home and school should be always maintained to increase the likelihood of student growth

HIGHLAND PREP

and success. Parents/guardians may request a conference with their child's teacher at any time. Parents/guardians may email their child's teacher to request a conference.

GRADE REPORTS

A grade report is provided electronically four times throughout the school year at the end of each quarter. This grade report will reflect the grade and credits earned for the courses that the student completed in the quarter.

Students and family members have the right to question grades and grading procedures. The student should first consult with his or her teacher and attempt to resolve the matter. If a resolution is not made, the student should address the matter with administration. Issuance of grades and grading procedures are local school matters, and every attempt to remedy the situation at the school level should be made.

PRINCIPAL'S LIST AND HONOR ROLL

All students who meet the high academic standards described below will be eligible for academic recognition.

Principal's List:	4.00 or higher GPA
Honor Roll:	3.50 to 3.99 GPA

Additionally, students must meet the following high academic and citizenship standards described below to be eligible for the recognition.

1. May not have any D's or F's on grade reports.
2. Incomplete grades must be cleared from the record in order to qualify for academic recognition.
3. May not have any in-school or out of school suspensions.

Awards will be presented at the end of each quarter of each school year.

CANVAS

Parents/guardians and students have the capability of viewing their student's assignments and agenda through Canvas. The School Office will provide parents/guardians/student username and passwords at the beginning of the school year.

ACADEMIC CREDITS

Any student who earns a "D" in a core academic course will receive elective credit for the course. The student must then retake the class to earn core credit. Any student who earns an "F" in a core academic course will not earn credit for that class. The class must be retaken for credit.

ACADEMIC PROBATION POLICY

Highland Prep strives to create a strong foundation for its learners by challenging their aptitude and developing their character. We believe that both components must be developed for a student to become successful in college, a career and life. All students of Highland Prep are required to meet certain academic standards.

It is our hope that Highland Prep graduates will model high standards and become positive contributors within their own communities. Highland Prep is open to all types of learners, and we recognize that not all students learn at the same pace and in the same manner. We do believe that students placed in a structured environment with high standards, a system of accountability, and parents/guardian support will succeed regardless of their background.

To uphold the ideals of the school, student academic achievement is closely monitored. Regulations regarding academic probation, suspension, and withdrawal are designed to provide close supervision of the student's progress and their program of study. The minimum satisfactory standard of achievement is a grade point average of 2.00 (unweighted). Failure to meet standards will place students on academic probation or suspension.

If a student is placed on Academic Probation, the student will be monitored and evaluated when both progress reports and grade reports are distributed. Failure to meet the academic standards of Highland Prep and failure to meet all the requirements of academic probation established in one quarter constitutes noncompliance of the academic policies of Highland Prep which may result in progressive disciplinary action in accordance with Highland Prep's discipline matrix. A student who is on academic probation for two or more quarters within an academic school year may be considered for progressive disciplinary action, including suspension, in accordance with Highland Prep's, discipline matrix for noncompliance of the academic policies of Highland Prep, or expulsion if the pupil has reached the age or completed the grade after which school attendance is not required pursuant to A.R.S. 15-802.

Issuance of academic probation:

Students are placed on academic probation for the following reasons:

- a. Student grades fall below a 2.0 GPA for any marking period.
- b. Student has a "D" or a failing grade of "F" in two or more subjects for any quarter.
- c. Student is failing one subject and receiving two or more D's in other subjects for any quarter.
- d. Student is exhibiting a serious deterioration in academic performance as evidenced by falling grades, failure to complete homework assignments, negligence in seeking extra help, or a general indifferent attitude toward academics.

Consequences of academic probation:

Students on probation are required to participate in all of the following as part of his/her probation:

- a. Increased levels of intervention and accommodation from school staff.
- b. Higher learning levels of accountability at school and at home.
- c. Removal from extracurricular activities.
- d. Required remediation (before and after school) as determined by school administration and faculty.

Removal from academic probation:

The student is removed from academic probation when he or she is making satisfactory progress at the end of a probationary marking period. Removal from academic probation requires the following:

- a. Student G.P.A. for the marking period is at or above 2.0.
- b. Student has a passing grade of "C" or better in all subjects for any quarter.
- c. Student has demonstrated improvement in academic performance as evidenced by passing grades, completing homework assignments, seeking extra help, and displaying a positive attitude towards academics.

STUDENT CODE OF CONDUCT

DISCIPLINE PHILOSOPHY

Respect and mature conduct in the school is of primary importance to staff members, parents/guardians, and other students. The maintenance of orderly conduct of students is necessary in every school situation to ensure the health and safety of all and to maximize learning. Effective discipline is a necessity for quality education.

HIGHLAND PREP

Highland Prep's fundamental philosophical basis of effective discipline is that students are responsible for their own actions and are expected to show respect and consideration for the rights of others. In addition to appropriate behavior at the school, students are expected to exhibit proper behavior on their way to school, on their way home, and when participating in school sponsored activities.

BILL OF RIGHTS AND RESPONSIBILITIES

Everyone has the right to learn in a safe environment.

Everyone has the responsibility to be polite and respectful.

Everyone has the responsibility to be honest.

Everyone has the responsibility to be trustworthy.

Everyone has the responsibility to demonstrate integrity.

HONOR CODE

Highland Prep maintains an Honor Code because we believe that all students should be responsible for upholding the values of the Highland Prep community. The Honor Code is an affirmation of our commitment to high standards of conduct inside and outside the classroom.

The purpose of this Honor Code is to communicate the meaning and importance of integrity to all members of the school community and to articulate and support the interest of the community in maintaining the highest standards of conduct in student learning.

Highland Prep embodies a spirit of mutual trust and intellectual honesty that is central to the very nature of learning and represents the highest possible expression of shared values among the members of the school community.

The core values underlying and reflected in the Honor Code are:

- **Academic honesty** is demonstrated by students when the ideas and the writing of others are properly cited; students submit their own work for tests and assignments without unauthorized assistance; students do not provide unauthorized assistance to others; and students report their research or accomplishments accurately,
- **Respect** for others and the learning process to demonstrate honesty in one's conduct,
- **Trust** in others to act with honesty as a positive community-building force in the school,
- **Responsibility** is recognized by all to demonstrate their best effort to prepare and complete academic tasks, and to behave as model members of the school community,
- **Fairness** and equity are demonstrated so that every student can experience an academic environment that is free from the injustices caused by any form of dishonesty, and
- **Integrity** of all members of the school community as demonstrated by a commitment to honesty and support of our quest for authentic learning.

SCHOOL RULES AND PROCEDURES

The following rules and procedures are enforced at Highland Prep for the purpose of maintaining a safe and caring learning environment. Please refer to the Student Discipline Matrix on pages 39-53 of this handbook for additional guidance and explanation.

1. **Zero Tolerance for Fighting, Harassment, Threats, and Intimidation.** Highland Prep strictly enforces a zero-tolerance policy on any fighting, bullying, threats, or intimidation. This includes threats, intimidation, or the commission of acts of violence through any means, including online via any social media platform or through use of electronics. Highland Prep strictly enforces a zero-tolerance policy on harassment of any kind, including harassment of a sexual nature.
2. **Zero-Tolerance for Gang Association and Gang Activity.** Highland Prep strictly enforces a zero-tolerance policy on any type of gang association or gang activity. This includes hand gestures/signs, language, clothing, belt buckles, writing, numbers, color combinations, etc.
3. **Zero-Tolerance for Illegal Substances and Weapons.** Any involvement with the possession, use, or sale of any type of drug, alcohol, tobacco, spice, vape product, or other controlled substance will result in notification to the authorities and disciplinary action by the school. Weapons or any other dangerous items are not permitted on campus. Possession of a weapon or any other dangerous item may result in disciplinary action up to suspension and/or expulsion from the school.
4. **Zero-Tolerance for Theft.** Any kind of theft will not be tolerated on campus or in the school community. Theft is grounds for expulsion and criminal prosecution. Students should take precautions to keep their personal belongings on their person and secured, at all times, during the school day.
5. **Respect must be shown to teachers, staff members, other adults, and students at all times.** Total respect is required at all times by everyone at Highland Prep. This includes the use of respectful language, gestures, actions, and attitude. If a student anticipates a potential problem of any type, the student is expected to seek advice from a school administrator, or appropriate school personnel. This rule prohibits fighting, threats, and other acts of violence and vandalism whether in-person or perpetuated through social media. Additionally, the student will be held responsible for any damage or destruction she or he does to school property.
6. **Abuse of Staff.** In order to maintain a safe, orderly school environment, the authority of school staff members acting in their official capacity must be respected. For this reason, any form of verbal or physical abuse of staff will be treated as a serious offense warranting suspension or expulsion. If concern about a staff member's exercise of authority cannot be satisfied in direct, appropriate discussion with the individual, that concern should be brought to the attention of the school administration. Defamation of school faculty, staff, and/or employees via social media or other platforms may be subject to school disciplinary action.
7. **Students must attend school and arrive promptly.** When arriving on campus, students should report immediately to the school common area. Students must attend school and complete all work required at a level that is acceptable by their teacher. Excessive absences and/or tardies will result in progressive disciplinary action in accordance with Highland Prep's discipline matrix. For more information, refer to the school attendance requirements.

HIGHLAND PREP

8. **Cell phone use/Headphones, Airpods/Telephone Calls.** Students are not permitted to have their cell phones out or in use during class time. Students may **not** receive or make phone calls and/or text messages during class hours. Parents/guardians who need to contact their child are asked to please phone the front office and front office personnel will get a message to the student's classroom teacher. Emergency calls from parents/guardians will be taken by the front office, and the student will be informed immediately. Teachers are available for phone calls before or after school. Students are not permitted use headphones/air pods/or other devices to listen to music, videos, play games, etc. during class time.
9. **Medicine at School.** The school office will not administer medicines and prescription drugs unless given permission and instructions by the parent/guardian of the student. In such cases, families will be referred to the School's Health Associate for receipt of medicines and prescription drugs. The Health Associate will oversee the dispensing of prescriptions to students on a day-to-day basis. If the student is required to take prescription medicine at school, please provide written instructions and the medicine in its original container to the school office. Any medications not picked up at the end of the school year will be destroyed.
10. **Toys, Skateboards and Electronic Devices.** To prevent disruption of the learning environment, skateboards, scooters, cell phones, personal electronic games, portable radios, recorders, music players, headphones, and all other personal electronic devices are generally not permitted in the classroom, unless express permission is granted solely and situationally by the classroom teacher as part of the learning process. Disciplinary action will be taken against anyone who violates this policy. If a student has a need for a recorder in class, a note must be obtained from the teacher and the recorder checked in through the school office. **Highland Prep is not responsible for lost or stolen personal property and/or electronic devices.**
11. **Backpacks.** Students are expected to assume full responsibility for the contents of their backpacks/bags; students are discouraged from bringing valuables to school. Backpacks/bags may be subject to random search.
12. **Academic Honesty.** Students are expected to complete their own work on any assignment. Any instance of cheating or plagiarism; including the submission of AI generated information, will be referred to school administration and will result in disciplinary action. Violations of the above or other activities considered inappropriate will result in a failing grade on the assignment and could lead to further disciplinary action.
13. **Public Display of Affection (PDA).** The school recognizes that genuine feelings of affection may exist between students; however, students must refrain from inappropriate, intimate behaviors on campus or at school related activities. Lewd and/or inappropriate displays of public affection such as kissing, touching, etc., will result in disciplinary action.
14. **Anti-Bullying Policy.** Highland Prep maintains a zero-tolerance policy towards bullying, harassment, and intimidation. All students, faculty or parents/guardians should notify school administration immediately in the event of any incident of bullying, harassment, or intimidation. Any incident of bullying, harassment, and intimidation brought to the attention of school administration will be investigated and addressed. Any student found to bully, harass, or intimidate another student from the school will face disciplinary action, up to and including suspension or expulsion from Highland Prep. (A.R.S. 15-841) Students who intentionally make a false report of bullying, harassment, or intimidation may also face disciplinary action.
15. **Cyberbullying Policy.** Cyberbullying of any kind shall not be tolerated whether on campus or off. Cyberbullying is the use of information and communication technologies such as e-mail, cell phone,

text messages, instant messaging (IM), personal websites, social medias, deepfake media, and online personal pooling web sites, whether on or off school campus, to willfully and repeatedly harm either a person or persons through the medium of electronic text, photos, or videos. This includes cyberbullying of a sexual nature.

16. **Alcohol and Drug Violations.** Alcohol or drug violations on or within 300 feet of school property, at school events, or at any time the student is subject to the school's "good neighbor" policy, will result in disciplinary action by school administration, notification of parents/guardians, and involvement of the authorities.
17. **Use & Possession of Tobacco on Campus.** Possession of tobacco products on the school campus, buildings, parking lots, playing fields, vehicles, and off campus school sponsored events is a petty criminal offense. Tobacco products include smoking tobacco (e.g. cigarettes, cigars), smokeless tobacco (e.g. snuff, twist), cigarette papers and pipes, and electronic cigarettes, or vaping. A person who violates this section may be (HB2701) GUILTY OF A PETTY OFFENSE AND A MAXIMUM FINE OF \$300. (A.R.S. 36-798-03) Parents/guardian/guardians will be notified. Students will be disciplined. Cumulative violations could result in a formal hearing and long-term suspension recommendation.
18. **Anti-Hazing Policy.** Highland Prep is committed to promoting healthy, safe, and balanced lifestyles. Student organizations and athletic teams can play a vital role in this process, and can provide transformative opportunities for friendship, leadership, personal growth and discovery. Hazing of any kind is antithetical to these goals; therefore, HP prohibits hazing activities, whether by an individual or an organization. Refer to HP's Anti-Hazing Policy on page 54 for more information.
19. **The "Good Neighbor" Policy – Student conduct within the school community.** School rules and other reasonable expectations for student behavior are extended to include student conduct while going to and from school. This includes the responsibility to observe traffic and pedestrian laws and the responsibility to act as a good neighbor, respecting the safety, welfare, and property of others while going to and from school. Failure to act as a good neighbor within the school community may result in disciplinary action.
20. **Field Trips.** Field trips will be planned and requested by teachers and approved by the principal. Students must meet academic and/or behavior expectations to participate in field trips. When planned, permission slips and any information pertaining to the field trip will be sent home for parent/guardian signature. To ensure student safety, verbal permission will not be accepted.
21. **Off-Campus Events.** Off-campus events, including field trips, academic competitions, interscholastic sports, etc., are considered an extension of the Highland Prep campus and any violation at an off-campus event will be treated as if the violation occurred on campus.
22. **Student Visitors to School.** Our mission is to educate our students first and foremost. Having outside student visitors is potentially distracting to the normal operation of the classroom and poses a liability issue. Any person visiting the campus shall report to the Office. Visitor passes will be issued upon approval from the administration. The school will not be responsible for children who are not enrolled in our school and are left here without parent/guardian supervision.
23. **After-School and Evening Activities.** While attending school or evening activities students will be expected to follow all school rules and regulations. A student must be in attendance at school for one-half day (3 periods) to participate in after-school and evening activities.
24. **Internet/Chromebook.** Students will adhere to the expectations and policies outlined in the *Internet and Chromebook Acceptable Use Policy*. Violation of the policy may result in disciplinary action.

DRESS CODE

Appropriate attire is required. Highland Prep students are expected to wear appropriate attire during the school day and at all school sponsored activities. Any attire that is inappropriate or distracts from the school program will not be tolerated. The following guidelines must be followed. For further guidance refer to the discipline matrix on page 47:

1. Attire that promotes gang activity or gang affiliation is not permitted.
2. Clothing that is excessively baggy or sagging is not permitted for students. It is required that pants and shorts be pulled up to the waist. Sleepwear is not appropriate school attire.
3. Profane or disrespectful writing on clothing or jewelry is not permitted.
4. Shaved eyebrows are not permitted.
5. HP issued student ID badges must be presented at the request of any school official.
6. Pictures and/or words on any garment must be in good taste with nothing that is obscene, vulgar, or promotes anything that is illegal. This includes alcohol, tobacco/vaping, or drugs/drug paraphernalia.
7. There shall be adequate covering of the body at all times. Undergarments shall not be visible. Short shorts, bathing suits, bare chests, halter tops, tube tops, tank tops, undershorts, bare midriffs, mesh, or sheer garments, etc. are not considered adequate coverage.
8. On campus, protective footwear must always be worn. Footwear, such as Crocs, must be securely fastened with heel and side supports. Flip-flops, "Slides," Birkenstocks, or equivalent are prohibited. Crocs must always be in sports mode while students are on campus.
9. Blankets are prohibited at all times.
10. No visible tattoos, exaggerated make-up, or excessive jewelry is permitted.
11. Hats, hoods, head coverings, and bandanas are not permitted to be worn in any building on campus.
12. Students taking a PE, Weight Training, and/or Strength & Conditioning class are required to adhere to the PE dress code which consists of an HP PE uniform and shoes. Uniforms are available for purchase at the HP front office for \$20.

Administration has the sole discretion to determine attire that is inappropriate.

ACADEMIC SUPPORT FOR AFTER-SCHOOL DETENTION

Students that do not comply with classroom protocols will be referred by their teacher to after-school detention on the day of the occurrence. In doing so, teachers are empowered to effectively manage classroom behavior and positively impact the classroom learning environment.

The procedure for Academic Support for After-School Detention is as follows:

1. Teacher will complete the After-School Detention Form in Google Forms.
2. Teacher will have students notify parents/guardian/guardians of after school detention.
3. Assistant Principal will assign students to after-school detention prior to dismissal as indicated on the After-School Detention Log in Google Forms.
4. Assistant Principal will document attendance and any follow-up on the After-School Detention Log in Google Forms.
5. Assistant Principal will forward the After-School Detention Log to the Principal for additional student intervention on a weekly basis.

STUDENT BEHAVIOR FOR DISCIPLINE

1. Teachers should refer students to administration after the student has gone through the classroom discipline steps as set forth in the classroom rules and procedures.
2. Students who behave in an extremely disruptive manner or have been observed to have violated a school policy should be sent to administration immediately.
3. Students who pose a physical threat to the school or another student should be escorted to the office by an administrator.
4. All students who are referred to administration must have a Discipline Referral Form with them unless it is necessary to send the form with another student.
5. Teachers should inform referred students to check-in at the front desk, so that the student may be directed to the appropriate administrator.
6. Students who do not have a Discipline Referral Form promptly after arriving at the office may be sent back to their classroom.

STUDENT BEHAVIOR FOR RESTROOM/OFFICE PASSES

1. Students must sign out before leaving & sign in when returning to the classroom.
2. All students must use the restroom pass or office pass to leave the classroom.
3. Only one student will be permitted out of the classroom to use the restroom or go to the office.
4. Students should return to class immediately after using the restroom or going to the office.
5. Students that abuse pass privileges will be subject to appropriate discipline, including but not limited to, suspension of pass privileges, by administration.

HIGHLAND PREP DISCIPLINE MATRIX

(Notes below apply to all violations)

- Parent/guardian notification will take place for infractions receiving administrative consequences.
- Administration may exercise discretion when determining consequences between minimum and maximum depending on severity of the infraction.
- If the infraction occurs on the bus, a suspension or termination of bus-riding privileges may be assigned in lieu of, or in addition to the consequences outlined in the matrix for that infraction.
- The principal is the highest level of appeal for a suspension of 10 days or less.
- An asterisk (*) indicates that a police report and/or DCS report may be filed.
- A double asterisk (**) indicates that a police report and ADE report must be filed.

ANTI-HAZING POLICY

I. PURPOSE

Hazing activities of any type, including initiation into an athletic team, or other school related club or organization are inconsistent with the educational goals of Highland Prep and are prohibited at all times. Hazing is about abuse of power and violation of human dignity. Hazing is a form of abuse and victimization.

II. POLICY

- A. No student, teacher, administrator, volunteer, contractor, or other employee of Highland Prep shall plan, direct, encourage, aid or engage in hazing.
- B. No teacher, administrator, volunteer, contractor, or other employee of the school shall permit, condone, or tolerate hazing.
- C. Students or school staff/volunteers/contractors involved in hazing will be disciplined even if the student being hazed consents or appears to give permission or consent to being hazed.
- D. Students or school staff/volunteers/contractors/or other employees involved in hazing will be disciplined for hazing that occurs on or off school property and during, before, or after the school day. This includes weekends and other non-school days.
- E. Students or staff involved in the hazing of students will be disciplined as described in this hazing policy.
- F. School administration will investigate all complaints or reports of hazing and will discipline any student, teacher, administrator, volunteer, contractor, or other employee of the school who is found to have been involved in the hazing of one or more students.

III. DEFINITIONS

- A. "Hazing" is defined in A.R.S 13-215 as: Intentionally, knowingly or recklessly, for the purpose of preinitiation activities, pledging, initiating, holding office, admitting or affiliating a minor or student into or with an organization or for the purpose of continuing, reinstating or enhancing a minor's or student's membership or status in an organization, causes, coerces or forces a minor or student to

HIGHLAND PREP

engage in or endure any of the following:

1. Sexual humiliation or brutality, including forced nudity or an act of sexual penetration, or both.
 2. Conduct or conditions, including physical or psychological tactics, that are reasonably calculated to cause severe mental distress to the minor or student, including activities that are reasonably calculated to cause the minor or student to harm themselves or others.
 3. The consumption of any food, nonalcoholic liquid, alcoholic liquid, drug, or other substance that poses a substantial risk of death, physical injury, or emotional harm.
 4. An act of restraint, confinement in a small space or significant sleep deprivation.
 5. Conduct or conditions that violate federal or state criminal law and that pose a substantial risk of death or physical injury.
 6. Physical brutality or any other conduct or conditions that pose a substantial risk of death or physical injury, including whipping, beating, paddling, branding, electric shocking, placing harmful substances on the body, excessive exercise or calisthenics or unhealthy exposure to the elements.
- B. Hazing includes any activity that humiliates, degrades, or risks emotional and/or physical harm, regardless of the person's willingness to participate. As set forth at www.stophazing.org, students in middle and high school are particularly vulnerable to peer pressure due to their need to belong, make friends, and find approval in a particular peer group.
- C. The term "hazing" also includes but is not limited to:
1. Any activity that intimidates or threatens the student with ostracism, that subjects a student to extreme mental stress, embarrassment, shame, or humiliation or that adversely affects the mental health or dignity of the student or discourages the student from remaining in school. This may include verbal abuse, such as yelling, swearing, and insulting the student.
 2. Any activity that causes or requires the student to perform a task that involves violation of state or federal law or of a charter school policy or a school regulation. This includes, but is not limited to, abuse or mistreatment of animals, public nudity, and theft.
- D. The hazing policy applies to hazing that occurs before, during, or after school hours and on or off school premises. This includes weekends and non-school days.

IV. REPORTING PROCEDURES

- A. Any student who believes he or she has been the victim of hazing, or any student or staff person who has personally observed or has knowledge or belief that a student has been hazed, shall report the possible hazing immediately to school administration. Highland Prep administration will investigate the report of hazing.
- B. The Principal is responsible for receiving and investigating reports of hazing at the building level. The Principal may delegate the investigations to other trained administrators.
- C. School staff/contractors/volunteers or other employees of the school shall be particularly alert to possible situations, circumstances, or events which might include hazing. Any person who receives a report of, observes, or has other knowledge or belief of conduct which may constitute hazing shall inform the Principal immediately.
- D. A student or school staff member who makes a good faith report of possible hazing will not face negative consequences, such as future employment, grades, or work assignments.
- E. Hazing may be reported to local law enforcement if it is suspected that criminal activity which includes but is not limited to: sexual harassment, assault, use or distribution of illegal substance, theft, or any other activity deemed criminal, was used during the course of the hazing activity.

HIGHLAND PREP

V. SCHOOL ACTION

- A. When hazing is reported, the Principal, must either personally investigate the hazing report, or authorize a designated school administrator to investigate the hazing report. Highland Prep will ensure that the investigation begins within 1 school day of receipt of a hazing report or complaint.
- B. The school may take immediate steps, at its discretion, to protect the complainant, reporter, students, or others pending completion of an investigation of hazing.
- C. Upon completion of an investigation, the school will take appropriate action against students/staff that planned, directed, encouraged, aided, or engaged in hazing. School action taken for violation of this policy will be consistent with applicable statutory authority and other school policies and regulations.
 - 1. For students involved in hazing, discipline may include, but is not limited to, removal from the athletic team or other school club or organization, out of school suspension, or expulsion.
 - 2. For school staff/volunteer/contractors or other school employees involved in hazing, discipline may include, but is not limited to, written reprimand, suspension, or termination.
 - 3. In addition, Highland Prep, may also offer students/staff involved in the hazing incident the opportunity to participate in a face-to-face meeting with affected parties of the hazing with the intent to repair the harm caused by the hazing, to make amends, and to make a plan to work with athletic and extracurricular coaches to prevent future incidents of hazing and encourage a welcoming approach for incoming members to the athletic or extracurricular team/activity.

VI. RETALIATION

- A. The school will discipline or take appropriate action against any student, teacher, administrator, volunteer, contractor, or other employee of the district who retaliates against any person who:
 - 1. Makes a good faith report of alleged hazing; or
 - 2. Testifies, assists, or participates in an investigation or a proceeding or hearing relating to a hazing incident.
- B. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

VII. DISSEMINATION OF POLICY – HOW STUDENTS AND STAFF ARE NOTIFIED OF THE HAZING POLICY

- A. As required by A.R.S. 15-2301, the school's hazing policy will be printed in the student handbook. The hazing policy will also be included in the staff handbook.
- B. In addition, the policy will be published so that parents/guardian/guardians and other community members can read and be educated about the school's hazing policy. This will include communication of the hazing policy to parents/guardian/guardians and students at all student organization orientation meetings and in the written communication sent home with a student participant.
- C. The athletic director will include in coaches' training a review of the hazing policy and stress that any hazing of members of an athletic team is not acceptable and will result in serious disciplinary action. The athletic director will also discuss with the coaches how to create a welcoming approach for new team members.
- D. The school will ensure that all coaches or faculty advisors of other teams, clubs, and student organizations receive training on the school's hazing policy and stress that any hazing of members of teams or clubs is not acceptable and will result in serious disciplinary action.
- E. At the beginning of each school year when the student handbook is provided to students, students will be informed of the hazing policy to emphasize that hazing is not allowed and will be punished

HIGHLAND PREP

severely. The oral communication will go over the definition of hazing and give examples.

- F. At the end of each school year and during the initial practices prior to or at the beginning of the school year, the coach of each athletic team will review the hazing policy with the current and new team members and stress that regardless of tradition, hazing is prohibited and will lead to serious disciplinary action.

CURRICULUM

Highland Prep's curriculum program is based on Arizona College and Career Ready Standards, as well as other rigorous state standards. HP will ensure that all standards are implemented with fidelity to ensure that a consistent set of expectations are established that result in a high-quality preparation of all students for college and career (ADE, 2010). The Highland Prep education team will commit to providing its students with:

- Consistent expectations ensure HP students are both nationally and internationally competitive.
- Interesting and relevant content that supports the development of higher-order thinking skills consistent with successful post-secondary interactions, and workplace expectations.

English Curriculum

Highland Prep's thorough understanding of the Arizona State Standards for high school resulted in HP's selection of the College Board's SpringBoard curricular materials as the foundation for its English curriculum. The Arizona English Language Arts Standards are organized by shared bands in high school (i.e., grades 9-10 and 11-12). Each performance band contains vertically articulated "Anchor Standards" for reading, writing, speaking, and language. SpringBoard has a web link that provides highly specific examples of its ELA alignment to state standards available at:

<http://springboardprogram.collegeboard.org/commoncore>. SpringBoard adds value to the Arizona English Language Arts Standards through its strong emphasis on reading analysis, writing in multiple modes, vocabulary acquisition, and language usage that build from basic language acquisition through effective use of rhetoric and complex syntax.

HP students will take four years of English courses. Freshmen and sophomores will have the opportunity to take English Honors courses. Juniors and seniors will have the opportunity to take AP English courses in composition and literature.

Mathematics Curriculum

Highland Prep's thorough understanding of the Arizona Mathematics Standards for high school resulted in HP's selection of the College Board's SpringBoard curriculum materials as the foundation for its Mathematics curriculum. The Arizona Mathematics Standards are organized by the following categories: Number and Quantity, Algebra, Functions, Geometry, Modeling, Statistics, and Probability. These conceptual categories show the body of knowledge students should learn in each category to be college and career ready, and to be prepared to study more advanced mathematics. Again, SpringBoard has a web link that provides highly specific examples of its Mathematics alignment to the state standards available at: <http://springboardprogram.collegeboard.org/commoncore>.

HP students will take four years of Mathematics courses. Freshmen will take one credit of Algebra 1 and will have the opportunity to accelerate into Geometry based on demonstrated achievement in Algebra I concepts. Sophomores will take Geometry and have an opportunity to accelerate into Algebra 2 and Probability & Statistics. Juniors and seniors will take Algebra 2, Trigonometry, and Probability & Statistics

HIGHLAND PREP

(or an AP math class). Juniors and seniors will have an opportunity to take dual enrollment courses for college credit in College Algebra, Pre-Calculus, and Calculus.

Science Curriculum

Highland Prep's curriculum for Science will be aligned with Arizona's State Standards and literacy will be infused across the curriculum. HP will ensure literacy and connections to the Arizona College and Career Ready Standards through secondary alignment with the Next Generation Science Standards (NGSS). The NGSS were designed to reflect the increasing need "for scientific acumen in a complex, technological world," and the "emphasis is on demonstrating the scientific process." (Schachter, 2013) The aim of the science program will be to provide students with discovery and experiential based learning, the development of background knowledge and skills, and a deep understanding of physical science. Students will use discovery and experiential based learning to discover the rules and principles that guide physical sciences. HP will ensure that the lab component of its science curriculum supports a seamless transition to any college or university program.

HP students will take three years of science courses, although four years is suggested. Students will take Chemistry during their freshman year, Biology during their sophomore year, and Physics in their junior year. Students will have an opportunity to take AP courses in Environmental Science, Chemistry, and Biology in their junior and senior years.

Social Studies Curriculum

Highland Prep's curriculum for Social Studies will be aligned with Arizona's State Standards and literacy will be infused across the curriculum. The aim of the social studies program will be to promote civic proficiency; that is the knowledge, intellectual processes, and democratic perspectives required of students to be active and engaged participants in public life. Civic proficiency depends on a commitment to democratic values, and requires the abilities to use knowledge about one's community, nation, and the world to apply discovery processes, data collection and analysis, collaboration, decision-making, and problem-solving through the examination of primary source and secondary source documents. HP will encourage its students to become educated, global citizens, with a social conscience, who will be able to serve as change agents in their local and global community.

HP students will take three years of social studies courses. Students will take World History during their freshman year, United States History during their sophomore year, and Government and Economics during their junior and senior years. Students will have an opportunity to take AP courses in United States History in their junior year and Microeconomics in their senior year.

STEM PROGRAM

HP integrates its Science, Technology, Engineering, and Math (STEM) curriculum program through embedded projects. In support of the STEM program, the school has partnered with Project Lead the Way (PLTW) in exposing its students to the Science, Technology, Engineering, and Mathematics (STEM) curriculum. The PLTW program engages students in activities, projects, and problem-based learning, which provides hands-on classroom experiences. HP's students create, design, build, discover, collaborate, and solve problems while applying what they learn in math and science. They are also exposed to STEM fields through professionals from local industries who supplement the real-world aspect of the curriculum through mentorships and workplace experiences.

The PLTW curriculum is founded in the fundamental problem-solving and critical-thinking skills taught in traditional career and technical education along with national academic and technical learning standards and STEM principles, creating what U.S. Secretary of Education Arne Duncan calls one of the "great

HIGHLAND PREP

models of the new CTE succeeding all across the country.” PLTW was recently cited by the Harvard Graduate School of Education as a “model for 21st century career and technical education.”

- PLTW alumni are studying engineering and technology at five to ten times the average rate of all students.
- PLTW students have a higher retention rate in college engineering, science, and related programs than other students in those areas.
- 97% of PLTW seniors intend to pursue a four-year degree or higher when compared to the national average of 67%.
- 80% of PLTW seniors say they will study engineering, technology, or computer science in college; compared to the national average of 32%.
- PLTW students achieve significantly higher scores in reading, mathematics, and science than Career and Technical Education (CTE) students in the same schools in similar CTE fields.

HP students are required to complete the following courses as a requirement for graduation:

- Introduction to Engineering & Design (IED)
- Principles of Engineering & Design (POE)
- Choice of engineering

Additionally, HP students will have an opportunity to take one or more of the following courses for elective credit:

- Civil Engineering & Architecture (CEA)
- Computer Integrated Manufacturing (CIM)
- Digital Electronics (DE)
- Aerospace Engineering (AE)
- Engineering Design & Development (EDD)
- Cyber-Security (CS)
- Biomedical Sciences (BS)

Highland Prep recognizes the exceptional achievement of students who demonstrate mastery in Project Lead The Way (PLTW) courses. To qualify for the prestigious designation of PLTW Scholar, a student must meet the following criteria:

- Successfully complete at least three PLTW courses.
- Achieve a designation of Accomplished or better on the End-of-Course (EOC) exams for at least three PLTW courses by December of the student’s senior year.

This distinction acknowledges their dedication to STEM education and their achievement in these rigorous PLTW programs.

**ADVANCED PLACEMENT COURSES**

The Advanced Placement (AP) program at Highland Prep provides students with an opportunity to earn college credits during their high school career. Advanced Placement courses are taught at a higher and more rigorous level than their regular counterparts. Through Advanced Placement courses, students become prepared to handle coursework, reading, writing and critical thinking at a college level.

What are the advantages of my student taking an AP course?

The main advantage of taking an AP course is better preparation for college. It has been shown that students master in depth content at the college level more easily after completing AP courses in high school. Students also acquire sophisticated academic skills and increased self-confidence in preparation for college. Additionally, students who take AP exams may receive college credit while still in high school, saving both time and money. College credit on AP exams can save up to \$1,500 in college tuition alone and/or count as credit for one or more courses. Some parents/guardians have saved what would be the equivalent of \$18,000 for a full year of college and total living expenses for their student.

How does an AP course compare to other high school courses?

AP courses are more challenging and stimulating, but they take more time and require more work. These courses require energetic, involved, and motivated students. Students who succeed in AP courses generally do well in college as a result of the rigorous academic preparation. Highland Prep gives extra grade point weight on the GPA for taking an AP course and exam. (A=5.0; B=4.0, C=3.0, D=1.0, F=0.0) In this way, a student's GPA is not adversely affected by taking an AP course. Colleges look favorably on students who tackle AP courses.

What background is needed in order to succeed in an AP course?

The content of an AP course is more sophisticated than that in typical high school honors courses. Students should have had practice in analyzing content, drawing comparisons, and reasoning through problems. They must be able to read perceptively and independently. Additionally, students will need to be proficient in writing clear, concise essays. Students who are not skilled in these areas must be even more highly motivated to make up for deficiencies at the same time they are taking more rigorous courses. Students that prepare for college by taking the most rigorous classes available in high school better their success. The keys to success are motivation, self-discipline, and academic preparation. Highland Prep offers a rigorous honors program and Pre-AP program in English and Mathematics through the College Board's SpringBoard curriculum. Through exposure to this curriculum, students will be prepared and encouraged to participate in AP coursework.

How will my student receive college credit from taking an AP course?

The AP exams are given every school year in May. Scores are reported to the colleges designated by the student and range from 1 (no recommendation) to 5 (extremely qualified). Each college determines the scores to be accepted for credit, but most consider a score of at least 3. Colleges may award three and sometimes six hours of credit per test. Students should contact individual colleges to find out about their policy. Students are not required to complete an AP course to take the AP exams. However, research indicates that students who take AP courses score higher on AP exams than those students who do not take the courses.

How much does it cost for my student to enroll in an AP course and take the AP exam?

There is no cost for students to enroll in an AP course at Highland Prep; however, students are responsible for associated exam fees. The AP exams are approximately \$98 for each exam. Financial assistance for students in need can reduce the cost to approximately \$62 for each exam. Students not participating in registered AP exams will be responsible for a student fee of \$40 per exam.

**HIGHLAND PREP**

AP exam fees are posted on student schedules which are distributed at orientation before the school year begins. Exam fees are also posted in Infinite Campus. These fees are visible under the “fees & payment” section in Infinite Campus as a reminder of the balance that is due, as well as, printed on report cards at the end of 1st and 2nd quarter for students who have an outstanding balance. AP exam fees must be paid prior to the end of the 2nd quarter. A final notice will be mailed prior to the end of 2nd quarter for any student with an outstanding balance. AP exams will not be ordered for any student who has not paid their exam fees.

HP students will have the opportunity to take the following AP courses in their junior and senior years:

**11th Grade Year**

AP English Language and Composition

AP Environmental Science

AP Chemistry

AP Biology

AP Statistics

AP United States History

AP Spanish Literature

**DUAL ENROLLMENT COURSES**

Dual enrollment program at Highland Prep allows students an opportunity to enroll in college courses taught at the school. Students earn both high school credits and college credits that transfer to colleges and universities and apply towards degree programs. Through dual enrollment courses, students can transition from high school to college more easily; receive a quality college experience in a familiar and comfortable environment; and receive instruction from their high school teachers who meet community college certified requirements.

To be eligible for dual enrollment courses at HP, students must (1) be a full-time high school student while enrolled in the dual enrollment courses, except seniors who need less than four credits to graduate; (2) meet the placement and prerequisites requirements of the offered course; and (3) assume financial responsibility for obtaining course texts and materials.

COURSE & GRADUATION REQUIREMENTS

Highland Prep's (HP) students must earn 28 credits to graduate from the school. Below are the course requirements in accordance with the Arizona State Graduation Requirements. HP students will be required to take a full schedule of four classes each quarter.

Graduation Requirements		
Course Requirements	Arizona Credit Requirements (for 2021-2022 school year)	Highland Prep Credit Requirements
Math	4	4
Science	3	3
English	4	4
Social Studies	3	3
Foreign Language	0	2
STEM/CTE Coursework	0	3
Fine Arts	1	1
Physical Education/Health	0	1
Electives	7	7
Total	22	28

COURSE REQUIREMENTS

Highland Prep operates on a 4 class by 4 quarter schedule system. Students must be registered in a minimum of four courses during four quarters per school year. Students must complete and receive a passing grade (C or higher) in their course work to earn credit towards graduation.

COURSE CREDIT GUIDELINES

- Any student who scores below a "C" in any core academic course will have to repeat the course. If a student receives a "D," she or he will receive elective credit for the course. HP's commitment to minimizing course failure will be addressed with the school's Weekly Grade Check. Grade level advisors and the administrative team will review grade checks and prescribe remedial interventions that students will be required to follow per HP's Code of Conduct.
 - One-half (.50) unit of credit is granted for work completed in a subject that meets one period daily for an academic quarter.

HIGHLAND PREP

- One (1) unit of credit is granted for work completed in a subject that meets one period daily for two academic quarters (semester).
 - Two (2) units of credit are granted for work completed in a subject that meets one period daily for a full academic year.
2. Credits applied toward high school graduation must be earned in grades 9 through 12. The only exception is Algebra I.
 3. All students must be enrolled full-time at the school. Students are expected to be enrolled in four classes per quarter to be considered a full-time student and on track for graduation.
 4. A student may not accumulate more than 3 absences in a class to earn credit. Failure to meet this standard may lead to withholding of credit. Cases of prolonged illness will be reviewed by school administration.

VALEDICTORIAN/SALUTATORIAN

For the determination of valedictorian and salutatorian, all high school course grades earned in grades 9-12, including those achieved in after-school academic programs (Entrepreneurship 101, Engineering Design and Development, and AP Spanish Language and Culture), will be considered. Only grades earned before the valedictorian and salutatorian selection process will be taken into consideration. The cumulative weighted grade point average, as indicated in the chart above, shall be utilized in computing the grade point average for this purpose. The local school determines policies and procedures associated with the selection of student graduation speakers and/or designation of valedictorian or salutatorian.

To maintain a fair and equitable valedictorian and salutatorian selection process, the following tiebreakers have been established: (1) Highest English Course Completed (AP English Literature and Composition, AP English Language and Composition); (2) Highest Math Course Completed (MAT 220 - Calculus I, MAT 230 - Calculus II, MAT 240 - Calculus III); (3) Total Number of Advanced Placement and Dual Enrollment Mathematics Courses Completed; (4) Total Number of High School Honors Courses Completed; and (5) Total Earned Credits.

HIGH SCHOOL GRADING SYSTEM-RANK-IN-CLASS

Rank-in-Class shall be for the purpose of college admissions and scholarship applications. The release of individual student information shall be in accordance with school policy. Rank-in-Class shall be computed on a cumulative unweighted G.P.A. Upon student or parent request, for purpose of admissions to colleges and universities, the Rank-in-Class procedures utilizing only academic subjects on a weighted basis may be used. The selection of Valedictorian and Salutatorian follows a separate procedure, as indicated above, and holds no direct connection to Rank-in-Class.

REPORTING ACADEMIC RECORD DISCREPANCIES

It is the responsibility of the student to immediately bring any discrepancies found in their Academic Record to the attention of the Registrar. While grades may appear during a grading period as they are periodically processed, course grades, G.P.A. and any completed courses will not be finalized until 14 days after the end of a Quarter. An academic discrepancy may be reported at any time. However; in order for changes to be considered for senior commencement ceremonies, including: valedictorian, salutatorian, honors, or other distinctions, academic discrepancies must be reported no later than the first Friday in April of a student's senior year.

INTERSCHOLASTIC SPORTS

Highland Prep's athletic program is co-curricular in nature. The athletic program works cooperatively with other activities and programs to produce responsible citizens in the community.

Honey Badger athletics provide our student-athletes with the opportunity to develop their athletic talents while pursuing academic excellence. Understanding that our student-athletes, and even our coaches occasionally, will learn lessons through mistakes, we compete with good sportsmanship and focus on character development. This means doing our best and bringing sportsmanship to athletics through modeling exemplary behaviors.

Highland Prep offers high school athletic programs for boys and girls. HP athletic teams participate in the Arizona Interscholastic Association (AIA).

ATHLETIC PROGRAMS AND PARTICIPATION FEES

Participation fees must be paid prior to the athlete being allowed to compete in Highland Prep athletic events.

STUDENT-ATHLETES POLICY

Highland Prep adheres to the following policies for all student-athletes:

STUDENT-ATHLETE ELIGIBILITY

Due to the rigorous nature of HP's academic program requirements, HP has a process in place that requires students to declare their eligibility for extra-curricular or athletic participation. This process is explained to parents/guardians and students during enrollment and is acknowledged by their signature in the Athletic Packet and Parent/guardian & Student Handbook. Both of these documents are provided to parents/guardians upon registration and are available on the HP website: www.highlandprepaz.org.

Student-athletes must complete all registration information online through **www.RegisterMyAthlete.com**. The link can be found on the HP website. Completed registration will contain the following information:

- Athletic Handbook Acknowledgment Form
- Statement of Insurance Coverage

Academic Eligibility

1. Student-athletes must maintain a 2.00 grade point average with no grades in any class below a “C” level. Student-athletes will be deemed ineligible if any course grade falls below this requirement.
2. A student must receive a passing grade in all enrolled classes during the weekly grading period preceding the contest or performance.
3. It is the student-athlete’s responsibility to maintain academic eligibility.
4. Student-athletes must turn in classwork on time and according to the due dates outlined by teachers to avoid grading delays. Submitting assignments late may result in delayed grading and affect student-athlete eligibility.
5. Teachers will not expedite grading of late work to shorten an ineligibility period.
6. Student-athletes must attend homework support and/or academic tutoring on the day(s) it is assigned. Team practices/games do not override attending homework support or academic tutoring. Students may voluntarily attend after school homework-support or academic tutoring at any time with no consequence to their “active” status on a team.
7. The ineligibility period is **one week**; or until the student is passing in all classes.
8. Ineligibility is declared on Monday and in effect through that Saturday.
9. Academic eligibility is declared using the current term grade for each class as it appears in Infinite Campus.
10. Ineligibility notifications will be sent out on Monday by each coach.
11. Any student-athlete who is repeatedly declared ineligible may be removed from the team.
12. Any academic eligibility questions should be directed to the Athletic Director.

Pre-Participation Screening

Highland Prep, in accordance with AIA bylaws, recognizes that an effective pre-participation examination of all athletes is an essential component for securing the safety of our student-athletes. As such, an annual pre-participation physical examination is required for athletic participation. This requirement applies not only to “in-season” participation, but to any out-of-season (including summer) program which is organized and conducted by HP athletic staff.

Physical Examination Screening

Pursuant to AIA bylaws, only licensed professionals may conduct sports physicals. A sports physical is valid for one school year and must be conducted after March 1 of the previous school year. In the instance that the athlete has suffered a significant injury or illness the athlete must be cleared by a licensed physician before resuming participation. The Principal or Athletic Director may, at his/her discretion, recommend to the parent/guardian that a student-athlete be re-screened. Physical forms must be uploaded in their entirety to RegisterMyAthlete.

Proof of Insurance Coverage

Availability of insurance coverage is critical to obtaining appropriate medical care for athletes, particularly in an emergency situation. Highland Prep requires proof of insurance as a condition of participation in all sports programs. This applies not only to in-season activities but to all out-of-season (including summer) activities planned and facilitated by HP athletic staff. A “waiver” of the insurance requirement by the parent/guardian **will not** be accepted.

Highland Prep has partnered with K&K Insurance to offer student/athletes voluntary student accident insurance. More information is available from the HP front office.

THE STUDENT-ATHLETE COMMITMENT

1. Attendance at all meetings, practices, and games is required. Special circumstances “release time” should be truly special and communicated by the student-athlete and parent/guardian to the coach at least 48 hours in advance through email.
2. Academic and behavior expectations take priority over athletic participation. Students must meet such expectations prior to participation in meetings, practices, and games. This includes attending after-school homework support, tutoring and serving any disciplinary consequences.
3. Quitting is contrary to HP’s athletic philosophy. We believe a student-athlete who has been selected to a team has made a commitment to the school, teammates, and coaches. A student-athlete who quits a team after the tryout period will be prohibited from participating in all new athletic activities until the following academic year.

****Student/athletes that do not fulfill these commitments will be subject to appropriate discipline from coaches and/or administration and will be ineligible for postseason recognition and awards.***

STUDENT-ATHLETE CODE OF CONDUCT

1. Acknowledge that participation in athletics is a privilege that demands good sportsmanship.
2. Demonstrate self-control and respect for others (including other coaches, other athletes, and spectators) at all times.
3. Treat opponents with respect, shake hands after competitions, and congratulate their performance.
4. Respect the integrity and accept the judgment of coaches, officials, and administrators.
5. Acknowledge that behavior, while in uniform, is a reflection of you, your team, your school, and your community.
6. Respect all athletic equipment (both school and opponents) and athletic facilities (both home and away).
7. Perform in accordance with all rules set forth in the student code of conduct during practices and games.

Student/athletes that do not abide by athletic and/or school disciplinary codes will be suspended from athletic participation by coaches and/or administration and may not be eligible for postseason recognition and awards.

INJURY EVALUATION AND CARE

While Highland Prep coaches are trained to administer first aid care, there are instances in which athletes and their parents/guardians need to make decisions on their own. Most commonly, this need will arise when the athlete begins experiencing symptoms at home which were not apparent during, or immediately following, the activity session. Since injuries and other adverse health conditions are inevitable in athletics, and the severity of the problem may not be recognized immediately, it is important for athletes and parents/guardians to be continually alert to the development of symptoms. Any progressive symptoms should be reported to the coach as soon as possible and the parent/guardian should seek professional medical consultation.

HIGHLAND PREP

RETURN TO ACTIVITY FOLLOWING INJURY OR ILLNESS

Student/athletes must be fully recovered and properly reconditioned before returning to the rigors of practice and competition. The following procedures must be followed during any situation requiring return to activity:

1. If the injury or illness has required advanced medical care, written clearance from the treating physician shall be required for the athlete's return to activity. This written clearance shall reference the specific injury/illness and any limitations to be imposed upon the athlete.
2. Following receipt of the physician's clearance, HP athletic staff shall monitor the athlete's safe return to full participation. HP athletic staff shall notify the athletic director that the athlete is ready to return to full activity.
3. Based upon the recommendations of the student-athlete's physician and HP athletic staff, the athletic director shall determine whether to approve the athlete for return to full activity.

ATHLETIC DEPARTMENT POLICY

Highland Prep adheres to the following Athletic Department policies.

TRYOUT AND PLAYING TIME PROCEDURES

To try out for an athletic team, the student-athlete must have been approved through RegisterMyAthlete. Any student who wishes to try out for an athletic team must have a grade of "C" or higher in all classes. It is unfortunate that in certain situations student-athletes must be cut from a team. It would be ideal to keep everyone who tries out and guarantee them playing time, but in some situations that is not possible. The decision to cut a student-athlete is a difficult one and not taken lightly by any coach. The criteria the coaching staff will use for cuts include but are not limited to attitude, attendance at tryouts, skill level, overall strength and conditioning, participation in out-of-season programs, and other sport specific categories established by a particular head coach.

The factors the coaching staff will use to determine playing time include but are not limited to attitude and effort, attendance at meetings and practices, academic eligibility, understanding and execution of concepts and strategies, quality of other players at the position, physical condition, ability to contribute to team success, score of the game and time remaining, and program level (varsity, junior varsity).

TRANSPORTATION PROCEDURES

1. When team transportation is provided, the student-athlete is required to ride to and from the game with the team. Any request to do otherwise must come directly from the parent/guardian to the coach. We ask parents/guardians to avoid doing this on a regular basis because we believe that team travel is a vital part of the overall sports experience and is conducive to team unity.
2. If an athlete is granted permission to leave athletic competition with parent/guardian, parent/guardian must sign the athlete out with the coach. Athletes will only be granted permission to leave with their parent/guardian.
3. Student-athletes are to comply with all school travel and safety policies including wearing seat belts (if available). School vehicles should be treated with respect and kept clean.
4. Student-athletes should conduct themselves with acceptable behavior while in school vehicles and restaurants. "Loud talking" and "horseplay" are not acceptable behavior.
5. Parents/guardians should arrive to pick up their student 15 minutes before the school vehicle arrives at the school. Coaches are required to remain on campus until all students are gone. It is not desirable for coaches to wait long periods of time for students to be picked up. Please make pick up arrangements prior to games. Repeated late pick-up can result in suspension from the team.

The school will make every effort to provide team transportation to all away games. When school vehicles are not available, parents/guardian/guardians will be asked to provide team transportation.

COMMUNICATION PROCEDURES

The following is the chain of communication for questions and concerns that may occur before, during, or after a sports season.

1. The student-athlete addresses questions or concerns with the coach.
2. If not satisfied with the outcome, the parent/guardian may meet with the coach.
3. If not satisfied with the outcome, the parent/guardian may meet with the athletic director.
4. If not satisfied with the outcome, the parent/guardian may meet with administration.

Coaches will not address questions or concerns immediately before, during, or after games. Please allow 24 hours before directing any questions or concerns. Administration will refer questions or concerns through the appropriate chain of communication.

SPECTATOR CODE OF CONDUCT

1. Parents/guardians and fans are discouraged from coaching (yelling things instructional in nature) from the stands, as well as second guessing coaching decisions. Such things may contribute to confusion and tension for the athletes and ultimately detract from their performances.
2. Parents/guardians and fans must remain in the stands at all times unless they have been issued a field or court pass by the head coach.
3. Concerns during a game should be reported to a school administrator.
4. Parents/guardians and fans are never allowed to approach a coach during a game.
5. Parents/guardians and fans are never allowed to approach a referee before, during, or after a game.
6. Parents/guardians and fans must respect home and away facilities by keeping them clean and following any posted or published rules.
7. Weapons, tobacco, peyote, marijuana, vaping, tianeptine, or illegal drug use is prohibited at all HP events, on or off campus.
8. Highland Prep wishes to be known as having the character of "Good Sportsmanship" to the athletic community. This means:
 - a. Encourage all participants including players of both teams, all coaches, all officials, and all administrators.
 - b. Be positive and avoid harsh words. Take care to see that your comments regarding the players on either team, coaches of either team or officials are necessary, kind, and truthful.
 - c. Show respect and appreciation to opponents.
 - d. Respect and honor decisions made by coaches.
 - e. Respect and honor the decisions of game officials.
9. Obscene cheers, taunting, foul and abusive language, and disrespectful signs have no place in interscholastic athletics. HP will maintain a zero-tolerance policy for profanity, the intent of sounding profane, heckling, derogatory or profane statements, racist remarks, offensive cheers/chants, engaging in physical conflict or other threatening or aggressive behavior towards school personal, officials, players, coaches, and/or other spectators.

In the event that anyone violates the expectations outlined above, Highland Prep will take any and all necessary action. Violators may be temporarily or permanently prohibited from attending future campus events.

HIGHLAND PREP

ENGLISH LANGUAGE ARTS AND MATHEMATICS COURSE PROFICIENCY REQUIREMENTS

Dear Parents/guardian,

Highland Prep is proud of our student achievement in preparing all students for a successful transition from secondary to post-secondary education endeavors. Part of the preparation your student receives is through our English Language Arts and Mathematics courses.

Course proficiency requirements in English Language Arts and Mathematics are set to determine if a student has mastered the content specific standards necessary to ensure readiness for next level courses. Proficiency requirements are measured separately from student performance and achievement in the classroom. Proficiency is measured through beginning and end of course tests.

Course tests have been developed to benchmark and measure each student's growth in English Language Arts and Mathematics. Course tests are administered in the following English Language Arts courses: English 1-2, English 3-4, English 5-6, and English 7-8. Course tests are administered in the following mathematics courses: Algebra 1A-1B, Geometry 1A-1B, Algebra 2A-2B, and Pre-Calculus A-B. Course tests in English Language Arts and Mathematics are administered on the fourth day and last day of each quarter.

In accordance with our course descriptions for English Language Arts and Mathematics, a student must score a 60% or higher on the beginning of course test or the end of course test to move to the next level English Language Arts or Mathematics course. For example, a student that scores an 80% on the English 1 course test and a 90% on the English 2 course test is ready to move to English 3-4. A student that scores a 40% on the English 1 course test and a 55% on the English 2 course test is not ready to move to English 3-4. If a student does not score 60% or higher on the course tests, the student will be enrolled in a second credit of the appropriate English Language Arts or Mathematics course. The second credit course is taught using a different curriculum that focuses on instruction and practice in the needed areas of each student enrolled. Upon completion, the student will be issued two credits of the appropriate English Language Arts or Mathematics course. The second credit course does not impact a student's progress toward graduation.

Your student's final grade in English Language Arts and Mathematics courses is based on an evaluation of student work completed and teacher assessment provided in the classroom, not on the results of the course tests. As such, the course test score does not impact a student's grade point average or class rank.

Should you have any questions, please feel free to contact the Principal, Assistant Principal, or Academic Coach at the school.

Sincerely,

Education Team
Highland Prep

**COURSE OFFERINGS/DESCRIPTIONS****Highland Prep
Course Offerings****English****English 1-2/English 1-2 Honors (1.00 Credit)**

Prerequisites: None

This course examines the writing process and the reading process, including reading fluency, comprehension, and literature, informational text, grammar, vocabulary, spelling and research.

English 3-4/English 3-4 Honors (1.00 Credit)

Prerequisites: English 1-2; English 1-2 Course Test Proficiency of 60% or higher

This course integrates the principles of survey literature and composition. Course content combines the study and skill of effective writing for a variety of purposes. Writing exercises emphasize the writing process, research, critical and creative thinking, language skills; and are based on literary models. Literature study introduces literary terminology, critical and analytical reading, and appreciation of literature.

English 5-6/English 5-6 Honors (1.00 Credit)

Prerequisites: English 3-4; English 3-4 Course Test Proficiency of 60% or higher

This course integrates the modes of expository essay writing with the study of American literature. Course content combines the study of literary models of fiction and nonfiction, and the composition skills of exposition. Composition emphasis is on research skills, development of language skills, and multi-paragraph essays. Literary emphasis is on themes and literary movements in America.

English 7-8/English 7-8 Honors (1.00 Credit)

Prerequisites: English 5-6; English 5-6 Course Test Proficiency of 60% or higher

This course integrates writing for a variety of purposes and audiences with literature study. Writing includes a focus on “real world” skills, including expository, communication, research and analysis modes. Universal themes in literature are explored in a variety of fiction, non-fiction, poetry and drama selections. Readings from a broad variety of authors (western civilization, world and English literature, multicultural literature, mythology, science fiction and fantasy literature) are surveyed.

Advanced Placement (AP) English Literature and Composition (2.0 Credits)

Prerequisites: English 3-4

This AP course engages students in the careful reading and critical analysis of imaginative literature. As they read, students consider a work’s structure, style, and themes, as well as specific elements such as the use of figurative language, imagery, symbolism, and tone.

Advanced Placement (AP) English Language and Composition (2.0 Credits)

Prerequisites: English 5-6 and/or AP English Literature and Composition

This AP course engages students in becoming skilled readers of prose written in a variety of rhetorical contexts, and in becoming skilled writers who compose for a variety of purposes. Both their writing and their reading should make students aware of the interactions among a writer’s purposes, audience expectations, and subjects, as well as the way genre conventions and the resources of language contribute to effectiveness in writing.

HIGHLAND PREP

Mathematics

Algebra 1/Algebra 1 Honors (1.00 Credit)

Prerequisites: None

This course includes the skills, strategies and vocabulary involved in algebraic problem solving, discrete math, functions and relationships, algebraic representations, data analysis and analysis of change.

Integrated Algebra/Geometry (1.00 Credit)

Prerequisites: None

This course includes the skills and practice of algebraic problem solving and their relationship to geometric principles with an emphasis on graphical, numerical, and symbolic representations of mathematical applications to strengthen understanding of core algebraic and geometric concepts.

Geometry/Geometry Honors (1.00 Credit)

Prerequisite: Algebra 1A-1B; Algebra 1A-1B Course Test Proficiency of 60% or higher

This course includes communicating with the vocabulary and notation of geometry, inductive and deductive reasoning, measurement, coordinate geometry, problem solving and applications of geometric theorems, properties and proofs as well as algorithmic thinking. Students will make connections between geometry, algebra, statistics and number theory.

Algebra 2/Algebra 2 Honors (1.00 Credit)

Prerequisites: Algebra 1A-1B; Geometry 1A-1B; Geometry 1A-1B Course Test Proficiency of 60% or higher. This course extends and applies the concepts of Algebra I and Geometry. The curriculum includes the study of linear and quadratic functions, complex numbers, linear systems, powers, roots and radicals, exponential functions, probability, matrices and summary statistics.

Pre-Calculus (1.00 Credit)

Prerequisite: Algebra 2A-2B; Algebra 2A-2B Course Test Proficiency of 60% or higher

The course provides an introductory understanding of convergence and divergence; contextual problem solving of polynomial, rational, logarithmic, and trigonometric functions; an intuitive understanding of limits and continuity; modeling motion using parametric equations and vectors; and using technology to explore and support conjectures. Students will develop skills to collect, analyze, and draw conclusions from data as well as justify their reasoning and understanding verbally, in writing, and with models.

AP Statistics (2.00 Credits)

Prerequisite: Algebra 2A-2B or Pre-Calculus A-B

This AP course introduces students to the major concepts and tools for collecting, analyzing, and drawing conclusions from data. There are four themes in the course: exploring data, sampling and experimentation, anticipating patterns, and statistical inference. Students use technology, investigations, problem solving, and writing as they build conceptual understanding.

MAT 151-College Algebra (1.00 Credit)

Prerequisite: Algebra 2 or Pre-Calculus

This dual enrollment course is a detailed study of the basic concepts of algebra, including first and second degree equations and inequalities, graphs of linear and quadratic functions, conic sections, polynomial functions, exponential functions, logarithmic functions, systems of equations including Gaussian elimination.

HIGHLAND PREP

MAT 187-Pre-Calculus (1.00 Credit)

Prerequisite: Pre-Calculus or MAT 151 College Algebra

This dual enrollment course is designed for review of those algebraic concepts needed for the study of calculus. The course includes a more thorough study of algebraic and trigonometric functions. The course emphasizes linear and quadratic equations and inequalities, graphs of linear and quadratic functions, conic sections, polynomial functions, systems of equations, matrices and determinants mathematical induction, trigonometric functions, inverse trigonometric functions, trigonometric identities and equations, and right and oblique triangles.

MAT 220-Calculus I (1.00 Credit)

Prerequisite: MAT 187 Pre-Calculus

This dual enrollment course is the first of a sequence of three courses combining the subject matter of analytic geometry and calculus. Functions and their graphs are studied with special attention to differentiation, limits, rules and integration using various techniques. Applications of both differentiation and integration are covered.

Math 230-Calculus II (1.00 Credit)

Prerequisite: MAT 220 Calculus I

This dual enrollment course is the second of a sequence of three courses combining the subject matter of analytic geometry and calculus. Functions and their graphs are studied with special attention to differentiation, limits, rules and integration using various techniques. Applications of both differentiation and integration are covered.

Math 240-Calculus III (1.00 Credit)

Prerequisite: MAT 230 Calculus II

This dual enrollment course is the third of a sequence of three courses combining the subject matter of analytic geometry and calculus. Functions and their graphs are studied with special attention to differentiation, limits, rules and integration using various techniques. Applications of both differentiation and integration are covered.

Science

Pre-AP Chemistry 1-2 (1.00 Credit)

Prerequisites: None

This Pre-AP course examines scientific investigation through hands on laboratory experimentation and the use of conceptual models. Course topics include properties and composition of substances; qualitative and quantitative relationships and measurements of energy; and products of chemical reactions.

Biology 1-2/Biology 1-2 Honors (1.00 Credit)

Prerequisite: Chemistry 1-2

This course examines scientific investigation and the concepts of change and diversity. Course topics include classification, molecular biology, energy production and use, and homeostasis.

HIGHLAND PREP

Physics 1-2/Physics 1-2 Honors (1.00 Credit)

Prerequisite: Algebra 2

This course presents major topics within the field of mechanics in great detail. It is highly mathematical in nature and maintains a fast pace through topics. Understanding of algebraic representation and graphical analysis of relationships will be especially stressed.

Environmental Science 1-2 (1.00 Credit)

Prerequisites: Chemistry 1-2 and Biology 1-2

This course presents the scientific principles, concepts, and methodologies required to understand the inter-relationships of the natural world and to identify and analyze both natural and man-made environmental problems.

AP Biology (2.00 Credit)

Prerequisites: Biology 1-2

This AP course is a lab course for students to cultivate their understanding of biology through inquiry-based investigations as they explore the following topics: evolution, cellular processes-energy and communication, genetics, information transfer, ecology, and interactions.

AP Chemistry (2.00 Credit)

Prerequisites: Chemistry 1-2

This AP course is a lab course for students to cultivate their understanding of chemistry through inquiry-based investigations, as they explore topics such as: atomic structure, intermolecular forces and bonding, chemical reactions, kinetics, thermodynamics, and equilibrium.

AP Physics 1 (2.00 Credit)

Prerequisites: Chemistry 1-2; Biology 1-2; Algebra 2

This AP course is an algebra-based, introductory college-level physics course. Students cultivate their understanding of physics through inquiry-based investigations as they explore these topics: kinematics, dynamics, circular motion and gravitation, energy, momentum, simple harmonic motion, torque and rotational motion, electric charge and electric force, DC circuits, and mechanical waves and sound.

AP Environmental Science (2.00 Credit)

Prerequisites: Chemistry 1-2 and Biology 1-2

This AP course presents the scientific principles, concepts, and methodologies required to understand the inter-relationships of the natural world, to identify and analyze environmental problems both natural and human-made, to evaluate the relative risks associated with these problems, and to examine alternative solutions for resolving or preventing them.

Social Studies

Pre-AP World History 1-2 (1.00 Credit)

Prerequisites: None

This Pre-AP course examines the major cultural, political, social, and economic developments of western cultures from the rise of civilizations to the Industrial Revolution. Primary source documents, the historical method, and research and writing in the discipline of history are emphasized.

HIGHLAND PREP

U.S History 1-2/U.S. History 1-2 Honors (1.00 Credit)

Prerequisites: World History 1-2

This course examines American History from its pre-Columbian past until the beginning of the Industrial Revolution. Emphasis is placed on reading, writing and critical thinking as well as the differences between primary and secondary literature and how historians string facts together to compose historical narrative.

Government/Government Honors (0.50 Credit)

Prerequisites: U.S. History 1-2

This course examines the American political system, its framework, traditions and values in order for students to develop an enthusiasm for American democracy.

Economics/Economics Honors (0.50 Credit)

Prerequisite: U.S. History 1-2

This course examines the American economic system with an emphasis on micro- and macro-economic issues including the study economic principles and systems, supply and demand, price and competition, business organizations, money and banking, financial literacy and personal finance.

Economics/Economics Honors meets the financial literacy course requirement for high school graduation.

AP World History: Modern (2.00 credits)

Prerequisite: English 3-4 and World History 1-2

This AP course will investigate significant events, individuals, developments, and processes in six historical periods from approximately 8000 B.C.E. to the present to make connections among historical developments in different times and places: interaction between humans and the environment; development and interaction of cultures; state building, expansion, and conflict; creation, expansion, and interaction of economic systems; and development and transformation of social structures.

AP United States History (2.00 credits)

Prerequisite: English 3-4 and U.S. History 1-2

This AP course will cover extensive chronological periods and readings from American History on a broad variety of topics such as economic history, cultural and intellectual history, social history, political–constitutional history, and diplomatic history.

AP Psychology (2.00 Credits)

Prerequisites: World History 1-2; US History 1-2

This AP course introduces students to the systematic and scientific study of human behavior and mental processes. Students employ psychological research methods, including ethical considerations, as they use the scientific method, evaluate claims and evidence, and effectively communicate ideas.

AP Microeconomics (2.00 Credits)

Prerequisites: Government and Economics

This AP course provides a thorough understanding of the principles of economics that apply to the functions of individual decision makers, both consumers and producers, within the economic system. The course will emphasize the nature and functions of product markets and includes the study of factor markets and of the role of government in promoting greater efficiency and equity in the economy.

HIGHLAND PREP

Foreign Languages

Spanish 1 (1.00 Credit)

Prerequisites: None

This course will emphasize conversational Spanish skills and provide students with the linguistic and cultural foundation.

Spanish 2 (1.00 Credit)

Prerequisites: Spanish 1

This course will be in-depth study of Spanish, requiring the student to think in the language. The course will utilize periodicals and other materials to help students become more fluent in the language with an emphasis on grammar and conversation.

Spanish 3 (1.00 Credit)

Prerequisites: Spanish 1

This course will be in-depth study of Spanish, furthering the students understanding of the language by focusing on the three modes of communication: interpretive, interpersonal, and presentational.

AP Spanish Language and Culture (1.00 Credit)

Prerequisite: Spanish 1 and Spanish 2

This AP course emphasizes communication (understanding and being understood by others) by applying interpersonal, interpretive, and presentational skills in real-life situations.

French 1 (1.00 Credit)

Prerequisites: None

This course will emphasize conversational French skills and provide students with the linguistic and cultural foundation.

French 2 (1.00 Credit)

Prerequisites: French 1

This course will be in-depth study of French, requiring the student to think in the language. The course will utilize periodicals and other materials to help students become more fluent in the language with an emphasis on grammar and conversation.

French 3 (1.00 Credit)

Prerequisites: French 1 and French 2

This course will be in-depth study of French, furthering the students understanding of the language by focusing on the three modes of communication: interpretive, interpersonal, and presentational.

German 1 (1.00 Credit)

Prerequisites: None

This course will emphasize conversational German skills and provide students with the linguistic and cultural foundation.

HIGHLAND PREP

German 2 (1.00 Credit)

Prerequisites: German 2

This course will be in-depth study of German, requiring the student to think in the language. The course will utilize periodicals and other materials to help students become more fluent in the language with an emphasis on grammar and conversation.

Mandarin 1 (1.00 Credit)

Prerequisite: None

This course will cover the fundamentals of Mandarin Chinese, with a focus on communication. Emphasis will be placed upon learning tones, Romanization, and character formation to facilitate study. Students will also acquire a general knowledge of Chinese culture, geography, and history.

Mandarin 2 (1.00 Credit)

Prerequisite: Mandarin 1

This course will provide the opportunity for students to expand their capabilities in speaking, listening, reading, and writing in Mandarin Chinese. A continuation of cultural topics, geography, and history will also be covered.

Mandarin 3 (1.00 Credit)

Prerequisites: Mandarin 1 and Mandarin 2

This course will be in-depth study of Mandarin, furthering the students understanding of the language by focusing on the three modes of communication: interpretive, interpersonal, and presentational.

Latin 1 (1.00 Credit)

Prerequisites: None

This course will emphasize reading and comprehension skills with a focus on translating Latin for conceptual understanding as well as provide students with the linguistic foundation.

Latin 2 (1.00 Credit)

Prerequisites: Latin 1

This course will be in-depth study of Latin, focusing on contextualization and analysis of Latin texts. The course will emphasize literacy in the language.

Science, Technology, Engineering & Math (STEM)

Introduction to Engineering Design (IED) (1.00 Credit)

Prerequisite: None

This course will use 3D solid modeling design software to help them design solutions to solve proposed problems. Students will learn how to document their work and communicate solutions to peers and members of the professional community. This course will include research and analysis, teamwork, various communication methods, global and human impacts, engineering standards and technical documentation.

Principals of Engineering (POE) (1.00 Credit)

Prerequisites: IED and Algebra 2

This course will cover some of the major concepts student will encounter in a postsecondary engineering course of study. Students employ engineering and scientific concepts in the solution of engineering design problems by designing, creating and presenting solutions to various challenges.

HIGHLAND PREP

Civil Engineering & Architecture (CEA) (1.00 Credit)

Prerequisites: None

This course will require students to complete long-term projects that involve the development of property sites. As students learn about various aspects of civil engineering and architecture, they apply what they learn to the design and development of a property. Students work in teams, exploring hands-on activities and projects to learn the characteristics of civil engineering and architecture. In addition, students use 3D design software to help them design solutions to solve major course projects.

Aerospace Engineering (AE) (1.00 Credit)

Prerequisites: None

This course will explore the fundamentals of atmospheric and space flight, learning the physics of flight and basic orbital mechanics using industry-standard software. Students will learn by designing airfoils, propulsion systems, rockets and robotic systems.

Digital Electronics (DE) (1.00 Credit)

Prerequisites: None

This course will study the electronic circuits used to process and control digital signals, represented by two discrete voltages or logic levels. The major focus of the course is to expose students to the design process of combinational and sequential logic design, teamwork, communication methods, engineering standards, and technical documentation.

Engineering Design & Development (EDD) (1.00 Credit)

Prerequisites: POE and Algebra 2; 12th Grade Student

This capstone course allows students to design a solution to a technical problem of their choosing. Students will work in teams to research, design, test, and construct a solution to an open-ended engineering problem. The team presents and defends their solution to a panel of outside reviewers at the conclusion of the course. The use of 3D design software helps students design solutions to the problem their team has chosen.

Cybersecurity (CSC) (1.00 Credit)

Prerequisites: None

This course will study the field of cybersecurity through problem-based learning, where students role-play as cybersecurity experts and train as cybersecurity experts do. The major focus of the course is to give students a broad exposure to the many aspects of digital and information security, while encouraging socially responsible choices and ethical behavior. The course examines personal, system, network, and applied cybersecurity.

AP Computer Science Principles (2.00 credits)

Prerequisite: IED and POE

This AP course offers a multidisciplinary approach to teaching the underlying principles of computation. The course will introduce students to the creative aspects of programming, abstractions, algorithms, large data sets, the Internet, and computing impacts. The course provides students the opportunity to use current technologies to create computational artifacts for both self-expression and problem solving.

HIGHLAND PREP

Principles of Biomedical Science (PBS) (1.00 Credit)

Prerequisites: None

This course will study the concepts of biology and medicine as they relate to the roles of different medical professional used to solve real-world problems. Students are challenged in various scenarios including investigating a crime scene, diagnosing and proposing treatment to patients in a family medical practice, tracking and containing a medical outbreak at a local hospital, stabilizing a patient during an emergency, and collaborating to with others to design solutions to local and global medical problems.

Fine Arts

Beginning Band/Beginning Strings (0.50 Credit)

Prerequisites: None

This course will cover how to read music and perform with competence with an emphasis on basic musical skills and technical skills based on individual instruments. Students will have an opportunity to audition for performance ensembles at the school. Students will be expected to rent instruments and purchase a method book.
